### Survey on the IOC Regional Committee for the Central Indian Ocean (IOCINDIO)

1. The IOC runs a number of programmes, some of which may be more relevant to the needs of your country. Please use a scale from 1 (not relevant) to 10 (most relevant) to assess how important each of the following IOC programmes is for your country.

PROGRAMMES	RELEVANCE (1-10)
A. Ocean research	9
B. Observing system / data management	10
C. Early warning and services	6
D. Assessment and Information for policy	5
E. Sustainable management and governance	4
F. Capacity Development	3

2. IOC depends on the contribution of Member States for delivering programmes. Contributions can be in the form of cash, secondment of staff etc. What is the likelihood that your country could contribute to each of the following? (Tick YES if your country is most likely to contribute or NO if you believe that your country will not contribute to a particular item). Please note that this reply does not in any way commit your country. Before publication, this information will be aggregated and it will not be possible to spot any particular Member State's reply to a question.
