

Discovery Investigations

(Discovery Reports and Falkland Islands Dependences Survey (FIDS))

	Discovery Reports, publications	
B1	Discovery Reports: position of publications	1949-53
B2	Discovery Reports: position of publications	1931-45
B3	Discovery Reports: distribution of volumes 33 and 37	1980
B3A	Discovery Reports volume 1, Title page, list of contents, list of personnel, and preface. Proof copy and edits for discussion.	1929
B4	Discovery Reports volume 32 pp. 33-464 (1962): J.Marr <i>The natural history and geography of Antarctic krill</i> (PD14): correspondence	1960-4
B5	Discovery Reports volume 32 pp. 33-464 (1962): J.Marr <i>The natural history and geography of Antarctic krill</i> (PD14): illustrations	1962
B5A	Green binder containing copies of tables and figures to Discovery Report, Vol.32, The Natural History and Geography of the Antarctic krill (<i>Euphausia superba</i> Dana) By James William Slessor Marr, for proof printing. Lists of Tables and figures entitled <i>The Natural history of the Antarctic Krill: a geography of Euphausia superba</i> Dana. , with notes etc by James Marr on the tables and figures for the printer. Very likely this was James Marr's own copy kept for reference while printing and publication was in process.	Ca 1960-64
B6	Discovery Reports volume 32 pp. 1-32 (1961): P.Foxton <i>Salpa fusiformis</i> <i>cuvier</i> and related species: correspondence; illustrations	1960-1
B7	Discovery Reports volume 35 pp. 199-358 (1972): R.Gambell <i>Sperm whale off Durban</i> : correspondence	1968-71
B8	Discovery Reports volumes 30, 31: contents list	1962
B9	Discovery Reports volume 31 pp. 123-298 (1960): J.Hart and R.I.Currie <i>The Benguela current</i> (PD7): correspondence	1959-60
B9A	Discovery Reports volume 31 pp. 123-298 (1960),): J.Hart and R.I.Currie <i>The Benguela current</i> ; original data/figures	1960
B10	Discovery Reports volume 31 pp. 327-486 (1961): R.M.Laws <i>Reproduction, growth and age of the southern fin whale</i> (PD11): correspondence; illustrations	1960-3
B11	Discovery Reports volume 34 pp. 199-394: A.N.Powell <i>Polyzoa (bryozoa) ascophora</i> from New Zealand: illustrations	c.1967
B12	Discovery Reports volume 34 pp. 199-394: A.N.Powell <i>Polyzoa (bryozoa) ascophora</i> from New Zealand: illustrations	c.1967
B13	Discovery Reports volume 34 pp 199-394: empty file "for checking by Miss Cook and sending on to CUP just to make sure"	1967
B14	Discovery Reports volume 34: contents list	1967
B15	Discovery Reports: distribution lists for CUP	1932-51

NOL Collection 1, B sequence

B16	Discovery Reports volume 34 pp. 119-59 (1966): K.J.Andrews <i>The distribution and life history of calanoides acutus</i> : correspondence; illustrations	1965-6
B17	Lieutenant R.A.B.Andley, RNR, executive officer under the Discovery Committee	1931-44
B18	Discovery Reports volume 34 pp. 119-59 (1966): K.J.Andrews <i>The distribution and life history of calanoides acutus</i> : illustrations	1965
B19	Discovery Reports volume 34 pp. 3-77 (1966): P.Foxton <i>The distribution and history of salpa thompsoni</i> : illustrations	1966
B20	Discovery Reports volume 34 pp. 119-59 (1966): K.J.Andrews <i>The distribution and life history of calanoides acutus</i> : correspondence; illustrations	1961, 1965-6
B21	Discovery Reports volume 34 pp. 199-394 (196??): A.N.Powell <i>Polyzoa (bryozoa) ascophora from New Zealand</i> : correspondence; illustrations; press releases	1964-7
B22	Discovery Reports volume 34 pp. 3-77 (1966): P.Foxton <i>The distribution and history of salpa thompsoni</i> : illustrations	1965-8
B23	Discovery Reports volume 33: contents list	1966
B24	Discovery Reports volumes 35 and 36: file sent to the new editor P.David at his request: list of figures for captions	1974
B25	Discovery Reports volume 33 pp. 335-84 (1966): R.M.Sawicki <i>Developments of the stolon in salpa fusiformis and salpa aspera chamisso</i> : correspondence; illustrations	1956-66
B26	Discovery Reports volume 33 pp. 309-34 (1965): A de C.Baker <i>The latitudinal distribution of Euphausia species in the surface waters of the Indian Ocean</i> : correspondence; illustrations	1964-5
B27	Discovery Reports volume 33 pp. 251-307 (1964): E.Leloup <i>Larves de carianthaires</i> : correspondence	1956-65
B28	Discovery Reports volume 33 pp. 57-92 (1962): H.Boschma <i>Rhizocephala</i> : correspondence; illustrations	1961-2
B29	Discovery Reports volume 33 pp. 57-92 (1962): H.Boschma <i>Rhizocephala</i> : correspondence; illustrations	1961-2
B30	Discovery Reports volume 33 pp. 3-43 (1962): S.G.Brown: <i>The movement of fin and blue whales within the Antarctic zone</i>	1961-3
B31	Discovery Reports volume 32 title and contents pages: proofs; correspondence	1962-4
B32	Discovery Reports volume 31 pp. 1-122 (1960): N.B.Marshall <i>Swimbladder structure of deep-sea fishes in relation to their systematics and biology</i> : correspondence; illustrations	1959-63
B33	Discovery Reports volume 30 pp. 1-160 (1960): R.H.Millar <i>Ascidiacea</i> : correspondence; illustrations	1957-61
B34	Discovery Reports volume 30 pp. 163-284 (1960): N.Tebble <i>The distribution of pelagic polychaetes in the South Atlantic Ocean</i> : correspondence; illustrations	1958-61
B35	Discovery Reports volume 30 pp. 301-408 (1960): <i>Studies on Physalia physalis</i> (L); A.K.Totton <i>Natural history and morphology</i> ; G.O.Mackie <i>Behaviour and histology</i>	1958-63
B36	Discovery Reports volume 35 pp. 135- (1969): T.Harris <i>Spirobis species (polychaeta serputidae) from the South Atlantic</i> : correspondence; contents page; illustrations	1968-74

NOL Collection 1, B sequence

B37	Discovery Reports: memorandums on future production, distribution, etc.	1967-86
B38	Discovery Reports: printed lists of to 1962 and to 1970; distribution lists; notes on sales and presentation	c.1951-70
B39	Discovery Reports volume 35 pp. 31-135 (1968): R. Gambell <i>Seasonal cycles and reproduction in sei whales of the south hemisphere</i> : correspondence; illustrations	1967-9
B40	Discovery Reports volume 31 pp. 299-326 (1961) L.J.Isles <i>The appendages of the Halocypridadae</i> : correspondence; illustrations	1959-60
B41	Discovery Reports: distribution lists; notes on sales and presentation; printed lists of reports in preparation	1951-9
B42	Discovery Reports volume 36 (1972): N.A.Mackintosh <i>Life cycle of Antarctic krill in relation to ice and water conditions</i> : correspondence; amendments	1971-3
B43	Discovery Reports volume 35: title page and list of contents; correspondence	1972
B44	Discovery Reports volume 36 pp. 157-76 (1974): N.A.Mackintosh <i>Sizes of krill eaten by whales in the Antarctic</i> : correspondence; article with corrections; proof	1973-4
B45	Copy of <i>Datar-Matin</i> newspaper with an article on the <i>Discovery</i> and <i>Discoverer</i> ships	12 Feb 1968
B46	Discovery Reports volume 35 pp. 1-30 (1967): H.S.Roe <i>Seasonal formation of laminae in the ear plug of the fin whale</i> : correspondence; illustrations; text	1967
B47	Discovery Reports volume 36 pp. 157-76 (1974): N.A.Mackintosh <i>Sizes of krill eaten by whales in the Antarctic</i> : correspondence; illustrations; graphs	1973
B48	Discovery Reports volume 35, pp. 31-134 (1968): R.Gambell <i>Seasonal cycles and reproduction in sei whales of the south hemisphere</i> : carbon of text; chart	1968
B49	Discovery Reports volume 55 (1971): Foxton <i>Ihlea magalhanica</i> : correspondence; illustrations	1970
B50	Reviews by members of staff: 'Of whale and men'	1956
B51	Publications – acknowledgements for copies of publications	1940-60
B52	Publications – <i>Discovery magazine</i> : correspondence	1949-51
B53	Publications – <i>Antarctic pilot</i> : correspondence; typescript article; list of illustrations	1948-61
B54	Publications – progress report: acknowledgement of receipt	1937
B55	Publications – articles in <i>Nature</i> : correspondence; list of articles, 1925-36; text of article	1925-36
B56	Publications by staff – progress report: distribution list; correspondence	1937
B57	Publications by staff – Discovery investigations: proofs and carbons for annual reports; correspondence	1926/7, 1927/8, 1937
B58	Publications by staff – collected reprints: distribution list; list of publications, 1948-53	c.1953
B59	Publications by staff – articles in <i>Nature</i> : correspondence; text of articles	1950-4

NOL Collection 1, B sequence

B60	Publications by staff – articles in <i>Nature</i> : correspondence; text of articles	1937-48, 1957
B61	N.A.Mackintosh ‘Maintenance of living euphausia superbe and frequency of moults’: carbon of text; correspondence; graphs	1967-73
B62	N.A.Mackintosh ‘The swarming of krill and problems of estimating the standing stock’: paper to Symposium on Antarctic Oceanography, 1966 cards requesting reprint of article, 1970	
B63	Henry Francis Porter Herdman: obituary; correspondence	1967
B64	David M.Carlisle’s translation of Dr A.V.Ivanov <i>Pogonophora</i> : objections to the preface as being “quite untrue and almost libellous accusations against the scientific staff of RRS <i>Discovery</i> ” set out by Alistair Hardy in a letter to <i>Nature</i> ; correspondence	1965
B65	N.A.Mackintosh ‘Distribution of the plankton in relation to the Antarctic convergence’, to the Royal Society symposium, 1963: text; illustrations; correspondence	1963-4
B66	N.R.Merrett ‘Pelagic gadoid fish in the Antarctic’: text, revised for publication; correspondence; illustrations	1963-4
B67	N.A.Mackintosh ‘A survey of Antarctic biology up to 1945’ for a symposium on Antarctic biology, 1962: text	1962
B68	Symposium on Antarctic biology: correspondence; list for distribution of reprints	1962-3
B69	Invitation to write books: correspondence; publishers catalogue	1932-70
B70	Publications by Discovery Committee staff: correspondence; article	1929-66
B71	External publications not by Discovery Committee staff: correspondence	1930-58
B72	External publications – HO 138 Sailing directions for Antarctica (Hydrographic Office, Navy Department US), illustrations for revised version: correspondence; notes	1948
B73	External publications – Bjarne Aagaard’s book: correspondence relating to illustrations	1931-47
B74	<i>Chamber’s Encyclopaedia</i> entry by N.A.Mackintosh on ‘oceanographical exploration’: correspondence; notes; text of entry	1944-61
B75	N.A.Mackintosh ‘The pattern of distribution of the Antarctic fauna’: correspondence; text; Royal Society proceedings proofs; distribution list	1959-64
B76	P.M.David ‘A new species of eukrohnie from the southern ocean with a note on fertilization’: correspondence relating to publication in the <i>Proceedings of the Zoological Society of London</i>	1958
B77	T.J.Hart ‘Notes on practical methods for study of marine diatoms’: letter	1957
B78	J.W.S.Marr ‘Further comments on the occurrence of euphausia superba in a humpback whale caught off South Queensland’: correspondence; text	1957
B79	N.A.Mackintosh ‘New observations on the deep sea squid’: text; correspondence	1956
B80	A de C.Baker ‘Underwater photographs in the study of oceanic squid’: text; correspondence	1956
B81	R.Currie and P.Foxton ‘A new quantitative plankton net’: correspondence	1956

NOL Collection 1, B sequence

B82	R.Currie and P.Foxton 'The Nansen method': correspondence	1956
B83	F.M.David 'Sagitta planctonis and related forms': correspondence	1956
B84	N.A.Mackintosh 'The work of the Discovery Committee', paper to the Royal Society, Jan 1950: carbon copy of text; drafts; correspondence; list of exhibits	1950-1
B85	Cambridge University Press (CUP): publishing accounts for Discovery Reports	1933-9
B86	CUP – layout, type, conventions: correspondence; notes	1927-30, 1961
B87	CUP – stock of Discovery Reports: correspondence; stock lists	c.1934-58
B88	CUP – leaflet and advertisement: correspondence; published list of Discovery Reports in preparation	1929-69
B89	CUP – publications progress: extract from committee minutes of the Royal Geographical Society research and expeditions committee	1940, 1957
B90	Discovery Reports: draft notices to contributors; correspondence	1956
B91	Discovery Reports – systematic and anatomical papers: notes on publication; correspondence	1932-3
B92	Discovery Reports: printed lists of volumes 1-27 and of further reprints in preparation, 1955, and with notes on stock, 1956	1955-6
B93	Discovery Reports – biological abstracts: forms; notes; envelopes	1937, n.d.
B94	Discovery Reports – biological abstracts: correspondence	1935-8
B95	Discovery Reports: reviews for volumes 18-29	1941-59
B96	Discovery Reports: reviews for volumes 2-17	1931-9, 1947
B97	Discovery Reports: reviews of volume 1	1930
B98	Discovery Reports: reviews; correspondence with American Geographical Society	1935-54
B99	Discovery Reports: reviews; correspondence	1929-64
B100	Discovery Reports: circular general information sheet on sale and presentation of the reports; correspondence	1957-61
B101	Discovery Reports – question of reprinting and change of format: text of R.H.Millar <i>Ascidiacea</i>	1960
B102	Discovery Reports – distribution and exchange in the UK: correspondence; extracts of minutes	1929-60
B103	Discovery Reports – distribution and exchange, general: correspondence; address list; list of periodicals; extract of committee minutes	1929-63
B104	Discovery Reports – distribution and exchange, other non-European countries: correspondence	1952-7
B105	Discovery Reports – distribution and exchange, South America: correspondence; extract from minutes	1934-48
B106	Discovery Reports – distribution and exchange, USA: correspondence	1931-62
B107	Discovery Reports – distribution and exchange, other European countries: correspondence	1935-51
B108	Discovery Reports – distribution and exchange, USSR: correspondence	1935-62
B109	Discovery Reports – distribution and exchange, Germany: correspondence	1930-59
B110	Discovery Reports – distribution and exchange, Norway: correspondence	1930-54

NOL Collection 1, B sequence

B111	Discovery Reports – distribution and exchange, British Empire: correspondence	1930-64
B112	Discovery Reports: requests for presentation copies granted	1930-63
B113	Discovery Reports – distribution, additions to distribution list: correspondence	1956-60
B114	Discovery Reports – on loan: list of copies loaned to H.W.Symons, South Africa	1953
B115	Discovery Reports – special list: acknowledgements	1933-60
B116	Discovery Reports – <i>The natural history of the Antarctic krill: a geography of Euphausia superba dana</i> : list of tables; list of illustrations; illustrations	n.d.
B117	Discovery Reports: general enquiries	1932-63
B118	Discovery Reports – requests for presentation copies, refused: correspondence	1928-40, 1945-60
B119	Discovery Reports – requests for purchase: correspondence	1931-63
B120	Discovery Reports: general correspondence	1955-72
B121	Discovery Reports – question of reprinting: correspondence; stock lists; lists of reports	1959-71
B122	Discovery Reports/CUP – loan of blocks for reprinting illustrations: correspondence	1936-62
B123	Discovery Reports – illustrations, engravers: correspondence	1930
B124	Discovery Reports – illustrations, John Bale and Sons and Curnow: correspondence	1940
B125	Discovery Reports – Chiswick Press: correspondence	1945, 1948
B126	Discovery Reports – Craske, Vaus and Crampton: correspondence; list of prices for blocks	1932-60
B127	Discovery Reports – illustrations, block makers and engravers: correspondence	1928-46
B128	Discovery Reports/CUP: correspondence; notes on prices for publication	1928-56
B129	Discovery Reports/CUP: sales returns: figures	1930-40
B130	Discovery Reports/CUP: completion of volume: correspondence	1940-4
B131	Discovery Reports/CUP: crest for Discovery Reports: correspondence; copy of engraving	1929
B132	Discovery Reports/CUP: authors corrections: handwritten notes summarising the position; letter	1930
B133	Discovery Reports/CUP: receipt cards, slips: correspondence	1931-54
B134	Discovery Reports/CUP: paper for Discovery Reports: correspondence; paper samples	1928-51
B135	Discovery Reports/CUP: correspondence on accounts: correspondence; statement	1929-54
B136	Discovery Reports/CUP: price of Discovery Reports: correspondence; statistics; pricing schedules	1953-64
B137	Discovery Reports/CUP: binding cases, cloth copies: correspondence	1930-64
B138	Falklands Islands Dependencies Survey (FIDS): correspondence; Operation Tabarin medical report; memorandum on the future of the survey; 'Note on Rear Admiral R.E.Byrd and US territorial claims on Antarctic'; 'Note for inter-department meeting to consider action in connexion with recent Argentine encroachment on the Antarctic	1944-8

NOL Collection 1, B sequence

	dependencies of the Falkland Islands'	
B139	<i>Territorial claims in the Antarctic</i> : Research Department Foreign Office secret report copy number 153	1 May 1945
B140	FIDS: telegrams	1946-7
B141	FIDS: telegrams	1945-6
B142	FIDS: telegrams; letter from the Colonial Office, 18 May 1944	1944-5
B143	FIDS – committees: correspondence; notes for meetings; agendas; lists of survey staff, 1947-8	1947
B144	FIDS – committees: correspondence; draft revised memorandum by the Colonial Office on FIDS; memorandum on the organisation and objectives of FIDS; minutes; notes; agendas	1946-7
B145	FIDS – committees: correspondence; notes of meetings, including one at the Colonial Office; agenda	1945-6
B146	FIDS – committees: correspondence; notes on an inter-departmental meeting held at Mr Acheson's room at the Colonial Office to discuss plans for Marr's expedition, 4 Sep 1944	1944-5
B147	FIDS – committees: correspondence; minutes of meetings at the Colonial Office, 15 and 28 Sep 1943; draft plan of work	1943-4
B148	FIDS – "Unclassified": note on discussion with Director of Clothing and Stores; correspondence	1944-5, 1953
B149	FIDS – publicity: press releases; correspondence; cutting	1947-8
B150	Dependencies of the Falkland Islands – 'Memorandum on the South Orkney Islands, the South Shetland Islands and Graham Land' by N.A.Mackintosh: first and second drafts and final version of text; chart showing tracks of Discovery Committee ships, 1926-38	28 Jun 1948
B151	FIDS – general regulations and instructions: correspondence; draft regulations	1943-5
B152	FIDS: charts; correspondence; minutes of the scientific committee; programme of work; memorandums on air surveys; 'Report on Weddell pup skins, Signey Island, 1954' by H.Smith; notes of meeting, 1953	1953-5
B153	Trans-Antarctic expedition committee of management: minutes; balance sheet; press releases; newsletter	1957
B154	Trans-Antarctic expedition committee of management: minutes; balance sheet; agenda; correspondence	1958-9
B155	Trans-Antarctic expedition committee of management: minutes; balance sheet	1960-8
B156	Antarctic Treaty: copy of a report of the Third Antarctic Treaty consultation meeting, 13 Jun 1964; correspondence; 'Working paper for an international agreement on the conservation of fauna on Antarctic floating ice with special reference to pelagic sealing'; government White Paper miscellaneous number 23: <i>The Antarctic Treaty and the recommendations of subsequent consultative meetings</i> (HMSO, 1965)	1964-6
B157	Visit by two members of the Arctic Institute, Leningrad, to the Scott Polar Research Institute, Cambridge: report	Apr 1956
B158	Trans-Antarctic Expedition: memorandum and articles of association of the Trans-Antarctic Expedition Ltd; paper about the journey, with illustrations, charts; provisional programme	1955
B159	FIDS – dog physiology: report to the scientific committee	1953

NOL Collection 1, B sequence

B160	FIDS – medical: correspondence; ‘Observations on acclimatisation to the cold of the Antarctic’; reprint of article	1948-9
B161	FIDS – soil samples, mainly Falklands, Mr Joyce: correspondence	1946-7
B162	FIDS – seals: correspondence; notes	1949
B163	FIDS – biology, various: correspondence	1945-6
B164	FIDS – geology: notes; report and recommendations on the geological work and collections of the FIDS; correspondence	1943-8
B165	FIDS – ornithology: correspondence; ‘Recovery of a ringed giant petrel from South Orkney Island’; paper on bird ringing	1947-50
B166	FIDS – sea ice: notes on sea ice, reporting summary of Marr’s data; correspondence	1948
B167	FIDS: annual programmes	1943-8
B168	FIDS – publications: correspondence; copy of <i>Corona</i> , journal of the Colonial Office	1949
B169	FIDS: telegrams	1948
B170	FIDS: telegrams	1947-8
B171	FIDS – publications, scientific reports: correspondence; lists of reports and of subjects; distribution lists	1950-3
B172	FIDS – data and collections: reports; proposals papers; correspondence	1947-8
B173	FIDS – supervision under Discovery Committee: correspondence	1945-50
B174	FIDS – proposals for reorganisation, criticisms, etc.: correspondence; comments on a memorandum by the Colonial Office for consideration at a meeting of the Scientific Committee	1948-50
B175	FIDS – surveying, including instructions: correspondence; maps; inventory of survey records held by the Directorate of Colonial Surveys, 1951; progress reports; notes for surveyors; projection data	1946-52
B176	FIDS – scientific committee and programmes: correspondence; minutes; programmes; reports	1947-60
B177	FIDS –scientific bureau: correspondence; papers on the establishment of bureau	1949-50
B178	Trans-Antarctic Expedition: minutes; map; correspondence	1954-5
B179	Trans-Antarctic Expedition: minutes; agenda	1956
B180	FIDS – meteorology: correspondence; notes	1947-50
B181	FIDS – Antarctic place names committee: correspondence; details of proposed names and locality	1948-53
B182	FIDS – hydrology and tides: correspondence; report	1946, 1952
B183	FIDS – surveys, maps: correspondence; lists of surveys at Directorate of Colonial Surveys; paper on air photography	1952-4
B184	FIDS – sub-committee of the scientific committee: correspondence; agendas; report; notes on air surveys; notes of meetings; programme for 1953	1951-2
B185	FIDS – annual programmes: correspondence; programmes; memorandum by Metrological Office on progress	1949, 1952
B186	FIDS – long term programme: correspondence; list of headings; memorandum by the Colonial Office; map	1948-9
B187	FIDS – general scientific instructions	1946-8
B188	FIDS – “Unclassified”: correspondence; newspaper cuttings	1948-60
B189	FIDS – Newfoundland (Trepassey, dogs, transport): correspondence; telegrams	1945-6

NOL Collection 1, B sequence

B190	FIDS – glaciology: letter	1949
B191	FIDS – periodical reports numbers 31-60	1953-6
B192	FIDS – equipment: telegrams with reports of	1947
B193	FIDS – equipment: correspondence; lists of	1945-6
B194	FIDS – equipment: correspondence; lists	1944-5
B195	FIDS – equipment: correspondence; lists	1943-4
B196	FIDS – staff: correspondence; lists of final disposition of personnel	1950-4
B197	FIDS – staff returning to the UK: correspondence	1950
B198	FIDS – staff returning to the UK: correspondence; committee notes; lists	1946
B199	FIDS – staff: personal correspondence	1948-50
B200	FIDS – field bases: map; correspondence	1947, 1949
B201	FIDS – periodical reports numbers 2-29	1950-3
B202	FIDS – periodical report number 1	1949
B203	FIDS – Antarctic place name committee: <i>Gazetteer of the Falkland Islands Dependencies</i> , first and second editions: draft edition; correspondence	1953-61
B204	FIDS – Antarctic place name committee: <i>Gazetteer of the British Antarctic territory, South Georgia and the Sandwich Islands</i> : edition and supplement	1962-4
B205	FIDS – governor's information and general instructions	1949-50
B206	FIDS – staff at bases: correspondence; list of provisional and final dispositions of staff	1948-53
B207	FIDS – personnel: list; correspondence; notes	1943-4
B208	FIDS – personnel: list; correspondence	1944-5
B209	FIDS – personnel: lists; correspondence	1945
B210	FIDS – personnel: lists; report of sub-committee of scientific committee	1946
B211	FIDS – scientific committee: minutes; reports; correspondence; associated papers	1948-55
B212	(A6/1/b VIII) Annual report of the National Oceanographic Council: additional names and addresses for the distribution list	1964-6
B213	(A6/2/1) Discovery Reports: correspondence with Micro Methods Ltd (later Microform Academic Publishers), Cambridge University Press and others regarding reproduction of out-of-print reports	1960-70
B214	(A6/2/B) Discovery Reports: distribution, including a list for distribution by Cambridge University Press and correspondence regarding requests for copies	1954-61
B215	(L7/5) Discovery Reports: their production and future including regarding a sale and possibility of placing remaining stock in the hands of an agent when IOSDL became part of the Centre for Deep Sea Oceanography at Southampton	1985-94
B216	(L7/5a) Discovery Reports: correspondence with Cambridge University Press and others	1970-87
B217	(L7/5b) Discovery reports: correspondence with Cambridge University Press and others regarding production	1964-76
B218	(L7/5c) Discovery reports: correspondence with Cambridge University Press and others regarding distribution policy	1958-76
B219	Discovery reports: requests for reports made to the National Institute of Oceanography	1958-86

NOL Collection 1, B sequence

B220	(L7/5e) Discovery Reports: requests for copies including many passed on to Cambridge University Press	1964-74
B221	(L7/5f) Discovery Reports: exchange arrangements and cancellations of subscriptions	1955-85
B222	(L7/5h) Discovery Reports: copyright, reproduction and publication requests	1971-87
B223	Discovery Reports: reproduction of out-of-print reports and correspondence including with Micro Methods, later Microform Academic Publishers	1971-87
