### Discovery Investigations

(Discovery Committee Papers (Including Files and Press cuttings))

(Discovery Committee file Nos.at the front of each entry 2/3/1 page 2 to 2/4/48 on page 32)

<b>2/1</b>	<b>Minutes of Discovery Committee/Expedition meetings</b>	
2/1/1	Bound volume of minutes with index	9 Jan 1934-26 Jun 1936
2/1/2	Minutes (21: 2090-2178)	9 Jan 1934-25 Jun 1934
2/1/3	Minutes (24: 2341-2411)	16 Dec 1935-23 Mar 1936
2/1/4	Minutes (25: 2421-2498)	1 May-31 Jul 1936
2/1/5	Minutes (26: 2510-2607)	3 Sep 1936-6 Apr 1937
2/1/6	Minutes (27: 2616-2718)	4 May 1937-1 Mar 1938
2/1/7	Minutes (28: 2725-2803)	5 Apr-30 Nov 1938
2/1/8	Minutes (29: 2806-2905)	20 Dec 1938-12 Mar 1943
2/1/9	<p><b>Personnel file Discovery Investigations</b> with a list of people attending meetings; List of the Distribution of Scientific Staff (when, where and what commissions they were on) list of scientific staff (Incl. Marine Station staff); list of officers and crew, RRS <i>Discovery</i>, RRS <i>Discovery II</i> , RRS <i>William Scoresby</i>,  <b>(Photocopy in NOL Collection 2/7/4, for research use)</b></p> <p><b>See also: NOL Collection 2/7/1</b>  Carbon copy of lists of scientists serving in RRS <i>Discovery</i>, RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> as part of Discovery Investigations</p> <p><b>See also: NOL Collection 2/7/2</b>  Card index of Officers and Crew Members of the above ships</p>	1924-39
<b>2/2</b>	<b>Polar Committee (formerly Antarctic Committee)</b>	
2/2/1	Minutes, correspondence, reports	1928
2/2/2	Minutes, agenda, correspondence	1929
2/2/3	Correspondence, reports	1930
2/2/4	Minutes, correspondence, reports	1931
2/2/5	Minutes, production agreement, note	1932
2/2/6	Minutes, correspondence, memorandum on names in the Antarctic, report on visit to the South Orkney Islands	1933
2/2/7	Minutes, correspondence, memorandums	1934
2/2/8	Minutes, correspondence, memorandum, production agreement	1935

2/2/9	Minutes, correspondence	1936
2/2/10	Minutes, correspondence, notes	1937
2/2/11	Correspondence, newspaper cuttings, captain's report for first and second commission	1928-34
2/2/12	Sub-committee on legislation on whaling policy: minutes; note on production agreement; correspondence; statistics; translation of article	1931-3
2/2/13	Sub-committee on legislation on whaling policy: minutes; correspondence; <i>Whaling industry (regulation)</i> bill; notes and reports	1932-3
2/2/14	Rymill (British Graham Land) expedition sub-committee: correspondence; paper on arrangements; memorandum on the extent and scope of the expedition; proof statistics on weather; newspaper cutting	1934-7
<b>2/3</b>	<b>Discovery Committee</b>	
2/3/1	(22) Proposed gyroscopic course for Captain Stenhouse and sperigyro compass for RRS <i>Discovery</i> : correspondence; newspaper cutting; article for journal	1923
2/3/2	(84) Discovery uniforms: correspondence; draft and printed regulations; details of kit; list of items; coloured representation of insignia cap badge	1924
2/3/3	(113) Alterations suggested by Captain Stenhouse in specification of repairs for RRS <i>Discovery</i> : correspondence	1923-4
2/3/4	(129) RRS <i>Discovery</i> mast and sail plan – assistance of surveyor of Lloyds Register: correspondence; minutes of sub-committee; graph of effect of wind pressure	1923-4
2/3/5	(133) RRS <i>Discovery</i> – suggested sale of and purchase of ice breaker: correspondence	1923
2/3/6	(148) Offer of deep water nets to Discovery Commission: correspondence	1923-4
2/3/7	(168) Cooperation with Royal Society: correspondence; list of members of Royal Society circumnavigation committee	1923
2/3/8	(224) Whale marks RRS <i>Discovery II</i> : correspondence; sketches of whale marks; notes of meeting of Discovery Committee, 10 Apr 1930	1930-2
2/3/9	(490) Plans of RRS <i>Discovery</i> : correspondence	1924-30
2/3/10	(493) Appointment of Director of Research: correspondence; copy of advert; draft application form	1923
2/3/11	(499) J. Hamilton appointed zoologist on RRS <i>Discovery</i> : correspondence; telegram	1924
2/3/12	(500) Dr Stanley W. Kemp: correspondence; application form for post of Director of Research; financial calculations	1923-4
2/3/13	(509) Model of RRS <i>Discovery</i> : memorandum with committee members' comments and initials; correspondence	1924-8
2/3/14	(515) RRS <i>Discovery</i> – badge for: boards showing design for badge sketches; letter	1924
2/3/15	(535) Slipway at Port Stanley: correspondence; proposals for construction of slipway	1924

## NOL Collection 2

2/3/16	(659) Life insurance for members of RRS <i>Discovery</i> expedition: carbon typescript paper	1924
2/3/17	(690) Spare copies of dispatches from the Secretary of State to the Government of the Falkland Islands: correspondence	1924
2/3/18	(743) Question whether RRS <i>Discovery</i> should be classed at Lloyds: letter and Sir Fortescue Flannery's remarks on the classification, 1923; report regarding life saving equipment for the <i>Discovery</i> , 1925	1923, 1925
2/3/19	(785) List of the ship's company: correspondence; lists of company and committee personnel; suggested rates of pay	1925
2/3/20	(790) Staff liability for income tax: correspondence	1925-6
2/3/21	(927) Portraits of King and Queen, of Captain Scott, Mr MacRobertson, and Sir John Murray: correspondence; circulated memorandum on which members of the committee have added comments and initials	1929-35
2/3/22	(930) Captain Stenhouse – anchor beds: letter	1925
2/3/23	(946) Captain Mercer's agreement: correspondence; copy of agreement of Mercer as Director of Research on RRS <i>William Scoresby</i>	1925
2/3/24	(961) Tests of reader engine: correspondence; memorandum continuing the record of progress of issue	1925
2/3/25	(975) International Hydrographic Bureau – supply of information relating to expedition for publication: correspondence; printed <i>Notes on the scientific work to be undertaken by Discovery</i>	1925-6
2/3/26	(979) Echo gear and velocity of sound tablets: memorandum; correspondence; report on trials of deep water echo sounding gear	1925-7
2/3/27	(989) Dr Stanley W. Kemp's report on scientific work: first report; correspondence	1925-6
2/3/28	(992) Report from Captain Stenhouse on first part of voyage: correspondence	1925
2/3/29	(994) Request to be furnished with report of Professor Merz: correspondence; transient of paper on cruise of surveying vessel <i>Meteor</i> in the South Atlantic	1925
2/3/30	(1039) Report of scientific work of Marine Station, South Georgia	1925-6
2/3/31	(1133) Dr N.A. Mackintosh – South Georgia <i>Discovery</i> Expedition: correspondence; reports and lists regarding victualling stores and scientific apparatus	1925
2/3/32	(1173) Local legislation regarding wild animals in the Falkland Islands: correspondence	6-7 Jan 1926
2/3/33	(1188) Request from South African Museum – Cape Town for supply of <i>Discovery</i> Expedition collections duplicates: correspondence	1926, 1929
2/3/34	(1197) Second scientific report on work of RRS <i>Discovery</i> respecting further sounding tests during a voyage of the ship to Cape Town	1925
2/3/35	(1199) Question of whether to fit bilge keels to the RRS <i>Discovery</i> in order to prevent excessive rolling	1925

2/3/36	(1239) RRS <i>William Scoresby</i> echo sounding gear: correspondence	1926-33
2/3/37	(1259) Sister keel for RRS <i>Discovery</i> – dry docking and cleaning of ship at Cape Town and anti-rolling (bilge) keels: correspondence	1925-7
2/3/38	(1303) General arrangement plan of RRS <i>William Scoresby</i> : correspondence and plan	Feb 1926
2/3/39	Further report regarding echo gear for deep sea sounding and reader engine: correspondence	Feb-Apr 1926
2/3/40	(1347) Boring of hull of RRS <i>Discovery</i> by teredo worm: correspondence and reports	1926-9
2/3/41	(1377) Teredo worm and sister reefs: telegrams to and from Captain Stenhouse	1926
2/3/42	(1401) Scientific report of work of Marine Station – South Georgia: report by Dr N.A. Mackintosh	26 Jan 1926
2/3/43	(1439) Registration of RRS <i>William Scoresby</i> and RRS <i>Discovery</i> ships articles: including copy of certificate of registry for <i>William Scoresby</i> and agreement and account of crew for RRS <i>Discovery</i> , 1926. Officers and crew listings.	1926, 1930, 1937
2/3/44	(1462) Correspondence from Sir Sidney Harmer to Dr Stanley W. Kemp including about scientific reports and movement of RRS <i>William Scoresby</i>	Mar-May 1926
2/3/45	(1551) Report by Captain Stenhouse on voyage of RRS <i>Discovery</i> from Cape Town to South Georgia via Tristan da Cunha: correspondence	1923-33
2/3/46	(1552) Visit of RRS <i>Discovery</i> to Tristan da Cunha in 1926: Dr Marshall's report and correspondence	1926-9
2/3/47	(1568) Arrival of RRS <i>Discovery</i> at Grytviken, South Georgia: letter and chart	22 Feb-Apr 1926
2/3/48	(1574) Third Scientific report on work of RRS <i>Discovery</i> dated 28 Feb 1926 with charts and correspondence	1926
2/3/49	(1756) Suitability of RRS <i>Discovery</i> for research work: correspondence	Mar-May 1926
2/3/50	(1766) Semi-official letter from Dr N.A. Mackintosh to Dr Stanley W. Kemp, South Georgia Marine Station	12 Feb 1925
2/3/51	Etching of RRS <i>Discovery</i> : correspondence with Vosper and Co Ltd Portsmouth regarding purchasing a copy	1926, 1929
2/3/52	(1816) Fourth Scientific report from Dr Stanley W. Kemp on work of RRS <i>Discovery</i> dated 1 May 1926: report and correspondence	1926
2/3/53	(1998) Rough itineraries of RRS <i>Discovery</i> and RRS <i>William Scoresby</i> and salaries of scientific staff	1926-8
2/3/54	Number not used	
2/3/55	(2008) Fifth Scientific report on work of Marine Station: synopsis and report with hand produced graphs and covering letter	1926
2/3/56	(2017) Renewal of lease to the Compania Argentina de Pesca: correspondence	1926
2/3/57	(2036) Fifth scientific report on work of RRS <i>Discovery</i> : report; graph	1926

## NOL Collection 2

2/3/58	(2068) Report by Lieutenant Commander Chaplin on survey work: report; correspondence	1926-7
2/3/59	(2098) Record of tide pole readings for transmission to the Admiralty: correspondence	1926
2/3/60	(2126) Parcel of sand samples for transmission to Admiralty: correspondence	1926
2/3/61	(2148) Copies of reports from Captain Stenhouse: reports; covering letter	1926
2/3/62	(2170) Instructions from Dr Stanley W. Kemp for use of officer in charge of <i>Discovery</i> Collections: memorandum on progress of file; correspondence including of 1942 and 1954; ' <i>Discovery</i> Oceanographical results notes to contributors'; list of groups into which specimens are to be sorted	1926-9, 1942, 1954
2/3/63	(2201) Sixth scientific report by Dr Stanley W. Kemp: report; graph; statistics	1926
2/3/64	(2203) Corrections to sailing directions for South Georgia: correspondence; memorandum of progress	1926
2/3/65	(2237) Registration of RRS <i>Discovery</i> : memorandum of progress; correspondence; extracts from the merchant seamen acts	1933-6
2/3/66	(2300) Reports of proceedings of RRS <i>William Scoresby</i> in Cape Town: correspondence; report; copy of abstract of log	1926
2/3/67	(2304) Report of work done whilst in Simonstown Dockyard: memorandum of progress; correspondence; report	1927
2/3/68	(2444C) Lady clerks for <i>Discovery</i> Commission and insurance of museum attendant: correspondence; memorandum of progress; printed treaty of alliance between Great Britain and Iraq	1925-38
2/3/69	(2460) Provident Fund [file not present: files held at main office]	
2/3/70	(2483) Seventh scientific report on work of RRS <i>Discovery</i> : draft report; graphs; charts	1927
2/3/71	(2512) Captain's report of voyage in South Africa to South Georgia: correspondence; memorandum of progress; charts; abstracts of log	1926-7
2/3/72	(2516) Scientific officer for Tensberg whaling expedition: memorandum; correspondence; list of equipment from RRS <i>Discovery</i> and on board RRS <i>William Scoresby</i>	1927-9
2/3/73	(2519) Classification certificates for RRS <i>William Scoresby</i> : correspondence; artefacts	1926-7
2/3/74	(2522) RRS <i>Discovery</i> work at South Georgia: correspondence	1927
2/3/75	(2586) Cetacean skeletons prepared for the British Museum [file not present: file held by Dr Mackintosh]	
2/3/76	(2588) First scientific report on work of RRS <i>William Scoresby</i> and arrival of the ship in England: memorandum; correspondence; report; illustration of whale; details of repairs and alterations; chart of journey from South Africa to South Georgia	1927
2/3/77	(2598) First annual report of RRS <i>Discovery</i> Expedition: correspondence; draft and printed report; distribution list	1927-30

2/3/78	(2656) Leading lights and RRS <i>William Scoresby</i> masts fitted at Grytviken, South Georgia: correspondence	1927
2/3/79	(2670) Ice report: [file not present: file held by Dr Herdman]	
2/3/80	(2686) Report from Imperial Economic Committee for report of work done by RRS <i>William Scoresby</i> : correspondence	1927
2/3/81	(2708) Eighth scientific report on work of RRS <i>Discovery</i> : correspondence; report	1927
2/3/82	(2709) Second report on scientific work of RRS <i>William Scoresby</i> covering period 16 Dec 1926-31 Jan 1927 including photographs	1927
2/3/83	(2747) Instructions to RRS <i>William Scoresby</i> regarding a voyage from Stanley to South Georgia regarding an uncharted reef and an uncharted island seen by <i>Sevilla</i>	
2/3/84	Minute for circulation to the scientific sub-committee requiring attention: draft letter to Dr Stanley W. Kemp	1927
2/3/85	Insurance for proposed new ship <i>Sir Hugo</i> : correspondence	May 1927
2/3/86	(2804) Selection of port for RRS <i>Discovery</i> refit in 1927; question of Teredo worm and moving ship to Cowes from the Dock in London: correspondence and papers	1927-8
2/3/87	(2828) Expedition to Peter Island, Antarctic, 1927: report sent out by Lars Christensen	1927
2/3/88	(2837) Resignation of RRS <i>William Scoresby</i> officers and Captain G.M. Mercer: correspondence	1927-8
2/3/89	(2902) Whale movements: [file not present: file held by Dr Mackintosh]	
2/3/90	(2924) Voyage from Grytviken to Port Stanley in May 1927: report	May-Jul 1927
2/3/91	(2840) Ninth scientific report of work on RRS <i>Discovery</i> : report and correspondence including with Mr Risting Sigurd of the Association of Norwegian Whaling Companies regarding ice conditions	1927
2/3/92	(2942) Note of meeting of international committee on whaling: [file not present: file held by Dr Mackintosh]	
2/3/93	(2872) Third scientific report on work of RRS <i>William Scoresby</i> : period principally occupied in a trawling survey in the neighbourhood of the Falkland Island plus correspondence	1927-8
2/3/94	(2872a) Third scientific report on work of RRS <i>William Scoresby</i> : period principally occupied in a trawling survey in the neighbourhood of the Falkland Island: for circulation to the sub-committee by Dr Mackintosh	May-Jul 1927
2/3/95	(2878) Fresh food obtainable in South Georgia: memorandum and correspondence	1927
2/3/96	(2971) Calculations regarding position of shag rocks lying westward of South Georgia: correspondence	1927, 1929
2/3/97	(2980) Voyage of RRS <i>Discovery</i> from Port Stanley to Simonstown: report; correspondence; logs and charts	1927
2/3/98	(3011) Reports from Mr L.H. Matthews, now return to him: correspondence	1927, 1930

## NOL Collection 2

2/3/99	Fourth scientific report on work of RRS <i>William Scoresby</i> : the passage from the Falkland Islands to South Georgia and that from South Georgia to the Cape via Gough Island from 11 May-30 Jun 1927	1927
2/3/100	Fourth scientific report on work of RRS <i>William Scoresby</i> : committee copy	1927
2/3/101	Reversing water bottles for RRS <i>William Scoresby</i> and other supplies and repairs	Aug-Nov 1927
2/3/102	(3176) Tenth scientific report on work of RRS <i>Discovery</i> by Dr Stanley W. Kemp dated 1 Sep 1927: period from the departure from Port Stanley to the arrival at St Vincent. Also contains a report on a visit to the South African fishing grounds in the Cape Trawler <i>Richard Bennet</i>	1927
2/3/103	(3176A) Tenth scientific report on work of RRS <i>Discovery</i>	1927
2/3/104	RRS <i>Discovery</i> log from Simonstown to St Vincent from Jul-Sep 1927 plus some correspondence	1927
2/3/105	(3280) Suggestion that a general reading book should be written by a member of the expedition: correspondence with Edward Arnold and Co publishers	Nov-Dec 1927
2/3/106	(3252) Spare gear for Lucas sounding machine on RRS <i>William Scoresby</i> : correspondence; indent for gear	1927-9
2/3/107	(3409) Information for the use of Inland Revenue Department: correspondence; unused forms	1927-8
2/3/108	(3533) Ice report: [file not present: file held by Dr Herdman]	
2/3/109	(3603) Proposed surveying operations: correspondence; preliminary report; expenditure memorandums; financial instructions for guidance to survey officer; blue print for motor launch	1927-8
2/3/110	(3753) Reports from Captain Stenhouse on anchorages and harbours of South Georgia: correspondence; copy of reports	1927-8
2/3/111	(3779) Seventh scientific report on work of Marine Station: covering letter; handwritten report	1927
2/3/112	(3798) Mr Gunther's manuscript for Draconian: correspondence	1928-30
2/3/113	(3822) Papers of Sir Sidney Harmer regarding New Zealand whaling: [file not present: file held by Dr Mackintosh]	
2/3/114	(3943) Title for publication of results: letter	1928
2/3/115	((3950) Map of South Shetland and South Orkneys received from Captain Stenhouse: correspondence; map	1928
2/3/116	(3972) Report of voyage of RRS <i>William Scoresby</i> from Portsmouth to St Vincent, alterations to hatchways: report; correspondence; sketch of hatch	1928
2/3/117	(3984) Proposed article on ice navigation by Captain Stenhouse: correspondence	1928
2/3/118	(4008) Circulation of minutes of committee meetings: memorandum of progress; circulars; minutes	1930-9
2/3/119	(4089) RRS <i>Discovery</i> survey report 1926-7 by Commander Chaplin: memorandum of progress; report; correspondence	1926-7

2/3/120	(4102) Bouvet Island article by Johan Hjort: correspondence; newspaper cutting in Norwegian and English, in response to a misleading report on a lecture by Dr Marshall of RRS <i>Discovery</i>	1928
2/3/121	(4149) Scientific sub-committees – functions of: correspondence; typescript paper	1928
2/3/122	(4153) Patent combined temperature balance and boiler circulator: letter	1928
2/3/123	(4192) Cook at Marine Station – engagement of K. Petersen: correspondence	1928
2/3/124	(4200) Captain's report for RRS <i>William Scoresby</i> – request for snow glasses and sheepskins and stowage of ammunition: correspondence; authorisation of purchase of sheepskins	1928
2/3/125	(4230) Preliminary report on work carried out in the region of South Sandwich group: correspondence; handwritten and carbon copy of preliminary report	1928
2/3/126	(4243) Electric Submerged Log Company – papers for consideration: memorandum of progress; correspondence; carbon of paper setting out principal advantages of submerged log type 3	1928-9
2/3/127	(4266) Charges by Governor of Falkland Islands against officers and crew of RRS <i>William Scoresby</i> : correspondence; confidential telegram from Governor; memorandum of progress; copy of charges against Artificer Engineer J. Sutherland for drunkenness and assaulting a police officer	1928
2/3/128	(4299) Whale work at Deception Island – F.C. Fraser: [file not present: file held by Dr Mackintosh]	
2/3/129	(4305) Fifth scientific report on work of RRS <i>William Scoresby</i> : report; charts; covering letter	1928
2/3/130	(4328) Plankton specialist – proposed appointment of Mr A. Scott: correspondence	1928-32
2/3/131	(4345) Issue of liquor on RRS <i>William Scoresby</i> and RRS <i>Discovery II</i> : correspondence; details of stock of drink; invoice for liquor, tobacco and cigarettes	1928-33
2/3/132	(4362) Revision of Discovery Committee regulations: correspondence; minutes; printed Falkland Islands Discovery Investigations general regulations and instructions; regular sub-committee minutes; draft revision	1931-2
2/3/133	(4362A) Revisions of the Discovery Committee regulations: printed draft of the Falkland Islands Discovery Investigations general regulations and instructions	1931-2
2/3/134	(4401) Scientific specimens sent home – arrangements for transportation: correspondence; invoices	1928-32
2/3/135	(4405) Ninth scientific report on work of Marine Station, South Georgia, including photographs and a chart	1928
2/3/136	(4415) Mersey type trawler Seaford: correspondence regarding the need to charter a steam trawler, the particulars of the vessel and the possibility of a reduction in the monthly rate for the boat	Jun-Aug 1928

## NOL Collection 2

2/3/137	(4466) Norwegian Whaling Association: [file not present: file held by Dr Mackintosh]	
2/3/138	(4467) Criticisms of the Discovery Committee made by the Governor of Falkland Islands: correspondence and notes	1928
2/3/139	(4479) Note on proposed arrangements with whaling companies in FIDs: [file not present: file held by Dr Mackintosh]	
2/3/140	(4526) Whale marking projectiles: [file not present: file held by Dr Mackintosh]	
2/3/141	Magnetic variation observed by Lieutenant Commander J.M. Chaplin, surveying officer on RRS <i>Discovery</i> expedition: correspondence and tables	Jul-Aug 1928
2/3/142	(4580) Sixth scientific report on work of RRS <i>William Scoresby</i> by D. Dilwyn Jones, 23 Jun 1928, including charts and correspondence	1928
2/3/143	(4595) Publication of the results of Froude tank and wind tunnel experiments carried out by the National Physical Laboratory on a model of the RRS <i>Discovery</i> : correspondence	1928-32
2/3/144	(4596) Proposed new steel single screw research vessel: tenders; quotations; plans and contract with general conditions; specification; bond; form of tender and instructions to persons tendering	1928-9
2/3/145	Norvegia Expedition and other Antarctic expeditions: notes	1928-31
2/3/146	(4626) Professor Hjort's process for extracting oil from blubber: [file not present: file held by Dr Mackintosh]	
2/3/147	(4639) Arrangements for a provision dump at South Georgia – engagement of storekeeper for service at the Marine Station, South Georgia and a victualling scale for officers and men of <i>Discovery</i> Expedition	1928-31
2/3/148	Proposal and voyage of Dr Marshall on the C.A. Larsen, scientific observer to the Ross Sea, 1929 plus financial accounts of Dr Marshall	1928-9
2/3/149	(4679) Proposal to charter floating factory and whale-catchers: [file not present: file held by Dr Mackintosh]	
2/3/150	(4695) Navigation: South Georgia Coastal and Approach lights; South American pilot; amendments to sailing directions mooring buoy at Grytviken Harbour, South Georgia and amendments to the Antarctic Pilot, 1930	1928-34
2/3/151	(4824) Minutes on whaling research by Dr Stanley W. Kemp and Burley: [file not present: file held by Dr Mackintosh]	
2/3/152	(4889) Suggested dossier of British ice captains: correspondence	1928-9
2/3/153	(4938) Publication of scientific reports (general): memorandum of progress; correspondence; list of addresses	1928-30
2/3/154	(4938/2) Publication of scientific reports (general): correspondence; memorandum	1930-2
2/3/155	(4938/3) Publication of scientific reports (general): memorandum; correspondence; statement relating to report	1935-9
2/3/156	(4948) Captain Scott's table and chair from RRS <i>Discovery</i> : memorandum of progress; correspondence	1928-9

2/3/157	(4956) Floating dock at Grytviken: pencil plan of dock; correspondence; memorandum	1928-31
2/3/158	(4971) Captain's reports on movement of RRS <i>William Scoresby</i> : reports; correspondence; copy of trawling survey chart	1928
2/3/159	(4991) Reports of survey party: memorandum; reports; correspondence; minutes of Discovery Committee	1928-31
2/3/160	(5000) Negatives lent by Mr Saunders to committee: memorandum; correspondence	1928-9
2/3/161	(5009) Seventh general report of Marine Station: report; copy of telegrams; memorandum	1928-9
2/3/162	(5010) Tenth scientific report on work of Marine Station, South Georgia: report; draft covering letter; carbon of final covering letter; memorandum; correspondence	1928-9
2/3/163	(5050) Whaling companies at work in the Antarctic: [file not present: file held by Dr Mackintosh]	
2/3/164	(5068) RRS <i>William Scoresby</i> report on whale marking equipment by A. W. Sorlle: report on whale making voyage of whale catcher A. W. Sorlle; correspondence	1928
2/3/165	(5075) Elephant seal hunting: [file not present: file held by Dr Mackintosh]	
2/3/166	(5084) Dr Marshall's first report: draft report; second copies of final report on visit to New Zealand Quadrant of the Antarctic, 1928-9; brochure for New Zealand and Ross Sea Whaling Company Ltd; account of whaling expedition of the Norwegian whaler C.A. Larson to the Ross Sea, 1928-9; correspondence; memorandum	1929-30
2/3/167	(5611/2) Provident Fund accounts: correspondence and accounts, Jan 1932-Dec 1933	1932-4
2/3/168	(5611/3) Provident Fund Accounts: correspondence and accounts, Jan 1934-Dec 1935	1934-5
2/3/169	(5611/4) Provident Fund Accounts: correspondence and accounts, Jan 1936-Dec 1939	1936-9
2/3/170	(5611/5) Provident Fund Accounts: correspondence and accounts, Jan 1939-Dec 1950 and details of contributions of individuals, 1928-39	1928-50
2/3/171	(5611) Discovery Expedition Provident Fund Accounts, Dec 1928-Dec 1931	1928-31
2/3/172	(5612) Investigation of endocrine material from whales: [file not present: file held by Dr Mackintosh]	
2/3/173	(5659) Eighth scientific report on work of RRS <i>William Scoresby</i> : report; copy of chart; correspondence; memorandum	1928-9
2/3/174	(5684) New ship RRS <i>Discovery II</i> , order for: memorandums; correspondence; memorandum of progress; comparison of estimates with costs; plans of wardroom; carbon copy of Falklands Islands requisition and outline description of steel single screw proposed research vessel; two F1 contracts for construction, 1928 and 1929; plan, elevations of vessel; estimates of running costs; statement of costs	1929-31

## NOL Collection 2

2/3/175	(5695) Captain's report of RRS <i>William Scoresby</i> : typescript and carbon copy report of work and movements of <i>William Scoresby</i> ; memorandum of progress	1928
2/3/176	(5732) Name of new vessel (RRS <i>Discovery II</i> ) and registration: correspondence; 'Notice of name proposed for a British ship' form	1929-37
2/3/177	(5733) New ship (RRS <i>Discovery II</i> ) suggestions and consultations between consulting naval architects and staff: minutes; correspondence; blueprints of stowage of lifeboats on boat deck	1929
2/3/178	(5734) RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> – pay of marine officers, etc: [file not present: file held in main office]	
2/3/179	(5737) New ship (RRS <i>Discovery II</i> ) – echo gear: memorandum of progress; drawing, blue prints of position of sound equipment receivers; correspondence; extract of scientific report; carbon of report on trials with the echo sounding apparatus for deep water; lists of spares for equipment	1929-30
2/3/180	(5739) Gyroscopic compass for RRS <i>Discovery II</i> : [file not present: file held by Dr Herdman]	
2/3/181	(5803) Requested loan of sounding tube	1929
2/3/182	(5812) Report on work of RRS <i>William Scoresby</i> : typescript report; copy of plankton survey chart; correspondence	1929
2/3/183	(5820) Report on whale marking: typescript report on whale marking cruises of whale catcher A.W. <i>Sorlle</i> ; covering letter	1929
2/3/184	(5821) Eleventh scientific report of work of Marine Station, South Georgia: report; correspondence	1929
2/3/185	(5870) Kelvin sounding machine and Lucas machine reader engine: [file not present: file held by Dr Herdman]	
2/3/186	(5870A) Loan of wire and reel for anchoring ship by the head – RRS <i>Discovery II</i> : correspondence	1929-31
2/3/187	(5897) Insurance of RRS <i>Discovery</i> , RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : [file not present: file held by Dr Herdman]	
2/3/188	(5897/2) Insurance of RRS <i>Discovery</i> , RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> and of scientific equipment: correspondence and copies of policies	1940
2/3/189	(5904) Spare gear for new ship: list of spare gear which is recommended should be ordered for the new ship	1929
2/3/190	(5916) Mud samples from RRS <i>Discovery</i> : four cases of mud samples collected by Lieutenant Commander J.M. Chaplin during survey operations, 1925-7 which remain onboard ship	Mar-Apr 1929
2/3/191	(5924) New ship (RRS <i>Discovery II</i> ) progress reports: correspondence and notes	Mar-Oct 1929
2/3/192	(5956) Minutes of ship details subcommittee: [file not present: file held by Dr Herdman]	

2/3/193	(5982) Echo gear for RRS <i>Discovery</i> for commission under Sir D. Mawson: disposal of surplus equipment remaining from 1929-31 BANZARE (British Australian New Zealand Antarctic Research Expedition) particularly the echo sounder fitted to RRS <i>Discovery</i>	1929-33
2/3/194	(5999) Request from Secretary General, International Hydrographic Bureau, Monaco for the particulars of the new vessel, RRS <i>Discovery II</i>	Apr-Dec 1929
2/3/195	(6009) General arrangement plans for new research vessel, RRS <i>Discovery II</i> : correspondence and description and floor plan of rooms A and B	1929-30
2/3/196	(6045) Visit of Duke and Duchess of York to RRS <i>Discovery</i> accompanied by Secretary of State on 2 May, arranged by the Dominions Office and the result of the proposed charter of the vessel for an Australian expedition under Sir Douglas Mawson: invoices for work done in preparation, correspondence and press cuttings	Apr-Jul 1929
2/3/197	(6061) Query as to communication of scientific results to whaling committee for International Council for the exploration of the Sea: [file not present: file held by Dr Mackintosh]	-
2/3/198	Captain's report from RRS <i>William Scoresby</i> : wireless telegraphists temporarily employed on the ship; accident sustained by Mr Thomas Dinning; Employers Liability Insurance Policy; track chart for South Georgia, South Orkney and the Falklands and movements of ship 1 Feb-3 Apr 1929	1929
2/3/199	Apparatus required for new vessel including current meter for new ship and a still for the supply of distilled water: correspondence and diagrams	May-Jul 1929
2/3/200	(6091) Apparatus for new ship including special still, storage tank and current meter with outrigger and float: correspondence	May-Oct 1929
2/3/201	(6099) Motor boat for Marine Station supplied by Vosper and Company Ltd: correspondence; specifications; invoice and launch taken for sea trial	
2/3/202	(6194) Dr Marshall's equipment and specimens left at Sandefjord with list	Mar-May 1929
2/3/203	(6196) Two boxes of endocrine glands from whales forwarded, with other specimens, from the Marine Station, South Georgia, by S.S. Harpon. They were shipped home at request of Messrs Parke, Davis and Company	1929-30
2/3/204	(6229) Station accuracy for RRS <i>William Scoresby</i> : station list showing accuracy of positions obtained	1929-30
2/3/205	(6259) Fixture of clear view screen to new ship: draft letter	1929
2/3/206	(6252) Proposed assistance to Sir H. Wilkins: notes and minutes of meetings at Colonial Office; correspondence; diagram of proposed arrangement for derrick and for seating for seaplane on RRS <i>William Scoresby</i> ; blue prints for general hoop and steel bands	1929-30
2/3/207	(6284) Employment of Miss D.M.E. Wilson to work out salinity titrations: correspondence	1929-32

## NOL Collection 2

2/3/208	(6300) Ninth scientific report on work of RRS <i>William Scoresby</i> : report; correspondence; copies of plankton survey charts	1929
2/3/209	(6301) Tenth scientific report on work of RRS <i>William Scoresby</i> : report; correspondence; copies of survey charts; illustration of method of attaching a bailey rod to sound wire	1929
2/3/210	(6304) Thermograph for new ship (RRS <i>Discovery II</i> ): correspondence	1929
2/3/211	(6420) New ship (RRS <i>Discovery II</i> ), derricks: correspondence	1929
2/3/212	(6440) Wireless directional finder and installation, RRS <i>Discovery II</i> : correspondence; details of cost of repairs	1929-32
2/3/213	(6441) Motor boat for new ship (RRS <i>Discovery II</i> ): [file not present: file held by Dr Herdman]	
2/3/214	(6447) Depth gauge: correspondence	1929
2/3/215	(6475) Title of Royal Research Ship for RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> and retention of title while on charter to the Discovery Committee: [file not present: file held in main office]	
2/3/216	(6482) Laboratory fittings, new ship (RRS <i>Discovery II</i> ): [file not present: file held by Dr Herdman]	
2/3/217	(6498A) Sea strengthening of vessels in South Shetland: correspondence; blueprint for new plate in bow of <i>Southern Queen</i>	1927
2/3/218	(6682) Captain's report for RRS <i>William Scoresby</i> : report of work on <i>William Scoresby</i> ; correspondence	1929
2/3/219	(6846) Petersen Young Fish Trawls stored at Millbank: [file not present: file held by Dr Herdman]	
2/3/220	(6987) Wireless installation on RRS <i>Discovery II</i> : correspondence	1929-30
2/3/221	(6999) Testing of depth gauge: correspondence	1929-30
2/3/221A	(7093) Twelfth scientific report for RRS <i>William Scoresby</i> : report; correspondence	1929
2/3/222	(8009) Survey programme for season 1929-30: correspondence; typescript list of correspondence; memorandum of progress	1929-30
2/3/223	(8010) Note on navigational aids in South Georgia: [file not present]	
2/3/224	(8011) Note on kelp in South Georgia: correspondence	1929
2/3/225	(8033) Sub-committee on sailing arrangements: [file not present: file held by Dr Mackintosh]	
2/3/226	(8051) Launch of RRS <i>Discovery II</i> , functions, etc.: correspondence; circular relating to proposed launch programme	1929
2/3/227	(8084) Abstract of journal <i>Norsk Hvalfangst-bidende</i> : letter; cutting; typed extract of article from journal	1929, 1938
2/3/228	(8108) Suggested x-ray apparatus for Discovery expedition: letter; costing for apparatus	1929
2/3/229	(8166) Indicator countries for RRS <i>Discovery II</i> : correspondence; memorandum of progress	1929
2/3/230	(8214) Falkland Islands area: charts of survey and data results	1926-7

2/3/231	(8241) Press file for RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : copy of <i>Nature</i> ; notes for <i>Nature</i> and <i>Marine Observer</i> ; press statements including information about crew; press passes for ships at dock; illustrations for articles and newspaper cuttings	1929-34
2/3/232	Press file for RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports; publication of scientific results regarding photographs/negatives; press releases and passes; correspondence; track charts in disagreement with logged and reported positions and publication in <i>Marine Observer</i>	Oct 1934-7
2/3/233	Press file for RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : press releases; press passes; photographs and typescript of interview with Captain R.C. Freamer of RRS <i>William Scoresby</i>	Mar 1937-May 1939
2/3/234	(8251) Eleventh scientific report on work of RRS <i>William Scoresby</i> : report, which has been annotated as tenth report	1929
2/3/235	(8288) Trials of RRS <i>Discovery II</i> : correspondence; report of trials	1929-30
2/3/236	(8308) Use of lead in alleyway of RRS <i>Discovery II</i> : correspondence; report of proceedings	1929-30
2/3/237	(8844) RRS <i>Discovery</i> , masts, rigging, sails: lists of blocks for running rigging; covering letter; memorandum, 1929	1925, 1929
2/3/238	(8860A) Payment of naval pensions to officers and men: [file not present: file held in main office]	
2/3/239	(8863) RRS <i>Discovery II</i> , BOT Suez and Panama Canal special tonnage certificates, certificates for engines, boilers, etc: [file not present: file held by Dr Herdman]	
2/3/240	(8874) Grading of scientific staff: memorandum of progress; correspondence; extract of Discovery Committee scientific sub-committee minutes; lists of staff and grade and salary; draft paper on grading staff; unused contract	1929-35
2/3/241	(8874/2) Grading of scientific staff and re-grading: correspondence; statement and chart showing the effect of proposed salary revision of scientific staff; memorandum on salaries of scientific staff	1937-43
2/3/242	(8880) Model of RRS <i>Discovery II</i> : correspondence	1929
2/3/243	(8950) Visit by the Duke of Gloucester to RRS <i>Discovery II</i> : two copies of a paper on <i>Discovery II</i> its history and expedition; copies of programme of the visit; list of scientific officers; correspondence	1929
2/3/244	(8954A) Visit of the King of Norway to RRS <i>Discovery II</i> : handwritten list of personnel involved; correspondence	1929
2/3/245	(8993) Professor Hjort's suggested expedition to the Ross Sea: correspondence	1929
2/3/246	(9041A) Captain's report for RRS <i>William Scoresby</i> : correspondence; draft paper for commission on captain's report; chart showing area covered whale marking	1930
2/3/247	(9046) General report of Marine Station, South Georgia: letter	1929
2/3/248	(9050) Damage to survey motor boat Alert: decoded telegrams; correspondence	1929-30

## NOL Collection 2

2/3/249	(9065) RRS <i>William Scoresby</i> abstracts of engineers logs: abstracts of logs; correspondence	1930-2
2/3/250	(9065/2) RRS <i>William Scoresby</i> abstracts of engineers logs and indicator cards: abstracts of logs; correspondence; notes of a conversation with Mr Welch, chief engineer of RRS <i>William Scoresby</i> ; indicator cards for pressure, fuel, etc.; memorandum of progress	1934-8
2/3/251	(9066) RRS <i>William Scoresby</i> daily reports and deck logs: correspondence; excerpts; checking of logs; missing entries; items not reported to the underwriters and some daily reports and a track chart	1929-32
2/3/252	(9066/2) RRS <i>William Scoresby</i> daily reports and deck logs: procedure; excerpts and checks	1934-8
2/3/253	(9073) Guns and ammunition: question of ownership of single-barrelled 12 bore gun returned to Messrs Holland and Holland from Monte Video with other weapons ex- <i>Discovery</i> ; invoice for ammunition; shipment to South Georgia of certain guns and ammunition required for use on RRS <i>Discovery II</i>	1929-31
2/3/254	(9086A) Wilkins-Hearst Antarctic Expedition: extension of RRS <i>William Scoresby</i> cruise with Sir Hubert Wilkins; correspondence about Sir Hubert Wilkins' report; suggestion that Wilkins is more concerned with publicity	1930
2/3/255	Mooring pipes for RRS <i>Discovery II</i> for fitting in the poop bulwarks obviating the damaging in using mooring ropes through the aft trawl ports: invoice and correspondence	1930
2/3/256	(9105) Reports and correspondence from Captain Stenhouse of RRS <i>Discovery</i>	1925-30
2/3/257	(9109) Extension of bilge keels for RRS <i>Discovery II</i> : invoice; specification; correspondence and minutes from <i>Discovery</i> Committee ship sub-committee meeting	1926-30
2/3/258	(9119) Information regarding construction of RRS <i>Discovery II</i> required by Admiralty to assist in designing proposed H.M. surveying ship: correspondence regarding steam radiators and heating and ventilation systems	1930-1
2/3/259	(9186) Request for tooth of killer whale: [file not present: file held by Dr Mackintosh]	
2/3/260	(9205) Falkland Islands research and development fund: current account papers	Jan 1930-Dec 1933
2/3/261	Falkland Islands research and development fund: current account papers (9205/2)	Jan 1934-Aug 1935
2/3/262	(9234) RRS <i>Discovery II</i> deck log abstracts and daily report log books: [file not present: file held by Dr Herdman]	
2/3/262A	(9234/2) RRS <i>Discovery II</i> desk log abstracts and daily report log books: correspondence; daily reports	1933-5
2/3/263	(9234/3) RRS <i>Discovery II</i> desk log abstracts and daily report log books: correspondence; daily reports; desk log abstracts; procedure as regard log books and abstracts received from the ships	1935-9

2/3/264	(9235) RRS <i>Discovery II</i> engineers reports: engineer log abstracts; reports; correspondence; notes made at meeting relating to engine room registers and indicator cards; indicator cards	1930-1
2/3/265	(9235/2) RRS <i>Discovery II</i> engineers reports: abstracts of logs; indicator cards; correspondence	1931-3
2/3/266	(9235/3) RRS <i>Discovery II</i> engineers reports: abstracts of logs; indicator cards; correspondence; memorandum of progress	1933-5
2/3/267	(9235/4) RRS <i>Discovery II</i> engineers reports: abstracts of logs; engine room registers; correspondence; procedure as regard log books and abstracts received from the ships	1935-7
2/3/268	(9236) RRS <i>Discovery II</i> : engine room log extracts and engine room registers: log extracts; correspondence; indicator cards	
2/3/269	(9237) Captain's report for RRS <i>Discovery II</i> , London to Monte Video: report; track chart of voyage to South Georgia; correspondence	1930
2/3/270	(9244) Communications with the Governor, Falkland Islands: letter; memorandum of progress	1930
2/3/271	(9279) Presentation of birds and bird sketches to the British Museum: correspondence; notes	1930-2
2/3/272	(9286) Thirteenth scientific report on work of Marine Station, South Georgia: report; correspondence; photographs of birds and two pennellae by Mr Saunders	1930
2/3/273	(9287) Kidney of blue and fin whales: [file not present: file held by Dr Mackintosh]	
2/3/274	(9304) Polar Exhibition of 1930: correspondence; printed Polar Exhibition report and statement of accounts	1930-1
2/3/275	(9322) Lists of soundings with positions, RRS <i>William Scoresby</i> : lists of soundings and observations between stations; correspondence	1930-1
2/3/276 [U/F]	(9341) First scientific report on work of RRS <i>Discovery II</i> : report; charts; correspondence	1930
2/3/277	(9344) Captain's second report for RRS <i>Discovery II</i> : report; correspondence; tracking chart	1930
2/3/278	(9371) Structural alterations to RRS <i>Discovery II</i> : [file not present: file held by Dr Herdman]	
2/3/279	(9391) Seismological observations in the dependencies: correspondence; memorandum of progress for Discovery Committee	1930-1
2/3/280	(9404) Presentation of insect collection to the British Museum: correspondence	1930
2/3/281	(9431) Alteration of anchor arrangements: correspondence; extract of captain's report; minutes of Discovery Committee ship sub-committee; sketches of anchor arrangements, hawse pipes and cable holders	1930

## NOL Collection 2

2/3/282	(9433) RRS <i>Discovery II</i> echo sounding gear: memorandum of progress; correspondence; costings; blue prints; publicity information for air compressor; minutes of meeting on echo sounding gear, Jun 1931; typescript note on apparatus; Admiralty handbook on shallow water type (MK II) echo sounding equipment, 1926; remarks on a report of 12 Feb 1930 on echo sounding in RRS <i>Discovery II</i> ; two copies of a H. Hughes and Son Ltd booklet <i>The echo sounding machine</i>	1930-1
2/3/283	(9433/2) RRS <i>Discovery II</i> echo sounding gear: correspondence; invoice; extract from seventh, thirteenth and sixteenth scientific reports; copy of interim report of Atlantic trials of HMS <i>Challenger</i> deep water echo sounding gear, 1932; supply to tender	1931-4
2/3/284	(9433/5) RRS <i>Discovery</i> echo sounding gear: reports; list of sounding; correspondence regarding echo soundings and equipment. Copies of the <i>Hudson Review</i> produced by Henry Hughes and Son Ltd, London. Booklet on the British Admiralty Super-Sonic Echo Sounder	1935-9
2/3/285	(9475) Modification of windlass and bilge keels on RRS <i>Discovery II</i> to protect against severe storms: minutes from the ship sub-committee of the Discovery Committee	1930
2/3/286	(9520) Second scientific report RRS <i>Discovery II</i> by Dr Stanley W. Kemp, 16 Feb 1930	1930
2/3/287	(9530) Captain's third report for RRS <i>Discovery II</i> : correspondence in response; extracts from ship subcommittee meeting and report from A.L. Nelson, 12 Feb 1930	1930
2/3/288	(9912) Track and other charts for RRS <i>William Scoresby</i> : correspondence regarding sending reports; logs and charts plus two charts for RRS <i>William Scoresby</i> , 18-21 Feb 1930 and 7-23 Jan 1930	1929-30
2/3/289	(9913) Captain's report for RRS <i>William Scoresby</i>	10 Oct 1929-4 Mar 1930
2/3/290	(9915) RRS <i>William Scoresby</i> survey report of Argentine Islands to Beascochee. Inspection by Captain Jackson of notebooks and charts of observations taken near Deception: correspondence about reports (no reports) and about survey work from RRS <i>William Scoresby</i>	1930
2/3/291	Thirteenth Scientific report on work of RRS <i>William Scoresby</i> , 3 Sep 1929-10 Jan 1930 South Africa to Deception Island, including photographs	1929-30
2/3/292	Fourteenth Scientific report on work of RRS <i>William Scoresby</i> for Grytviken, 13 Jan 1930-4 Mar 1930	1929-30
2/3/293	(9963) Advisability of investigating fur and elephant seals and sea lions in Falkland Islands: [file not present: file held by Dr Mackintosh]	
2/3/294	(9966) Ice report: [file not present: file held by Dr Herdman]	
2/3/295	(9992) Dr Gunther at Natural History Museum requires expert statistical advice necessary for tabulation work on plankton collected by RRS <i>Discovery</i> : correspondence	1930-1

2/3/296	(10006) Running survey of South Sandwich Islands by RRS <i>Discovery II</i> : preliminary report, 22 Mar 1930; correspondence; new edition of Admiralty chart no. 3593 of South Sandwich Group	1930-6
2/3/297	(10008) Captain's fourth report for RRS <i>Discovery II</i> , 23 Mar 1930: around Grytviken and South Georgia regarding damage done in a storm; correspondence	1930
2/3/298	(10203) Reports on sealing investigations: [file not present: file held by Dr Mackintosh]	
2/3/299	(10205) Survey programme: report on plans for future survey	1930
2/3/300	Captain's eleventh report for RRS <i>William Scoresby</i> , 22 May 1930: at Rio de Janeiro with chart	1930
2/3/301	(10317) Paper on elephant seals by W.C. Rumbonds: [file not present: file held by Dr Mackintosh]	
2/3/302	(10322) Captain's fifth report for RRS <i>Discovery II</i> , 21 Apr-28 May 1930 from Cape town: correspondence regarding painting the ship grey, stowage of weights, Lucas sounding machine and supply of a revolution indicator	1930
2/3/303	(10336) Captain's twelfth report for RRS <i>William Scoresby</i> , 4 Jun 1930 from St Vincent to Cape Verde Islands	1930
2/3/304	(10344) Fifteenth scientific report on work of RRS <i>William Scoresby</i> , 16 Jun 1930	1930
2/3/305	(10403) Captain's sixth report for RRS <i>Discovery II</i> : report; correspondence	1930
2/3/306	(10406) Painting scheme for Discovery Committee's vessels: correspondence; extracts of commands to commanding officers	1930
2/3/307	(10409) Programme of work, 1930-1: correspondence; note of programme; precis of memorandum suggesting possible employment for RRS <i>William Scoresby</i> , Jan-Mar 1931	1930-1
2/3/308	(10411) Fourteenth scientific report on work of Marine Station, South Georgia: report; correspondence	1930
2/3/309	(10414) Ninth general report of Marine Station, South Georgia: report; correspondence	1930
2/3/310	(10474) RRS <i>Discovery II</i> personnel lists: list of personnel	1930
2/3/311	(10484) Captain's thirteenth report for RRS <i>William Scoresby</i> : report; correspondence; illustrations of Else Bay; plan of sounds on Rhine Bank	1930
2/3/312	(10526) BANZAR Expedition, publication of results and treatments of material: correspondence; reports on expedition	1930-1
2/3/313	(10554) Third scientific report on work of RRS <i>Discovery II</i> : report; illustrations; correspondence; chart making natural regions of South Atlantic Ocean	1930-1
2/3/314	(10600) Whale depletion: [file not present: file held by Dr Herdman]	
2/3/315	(10814) Press communication by personnel of expedition: correspondence; newspaper cuttings; circular for Discovery Committee	1930-2
2/3/316	(10845) Reports of cinematograph files of the expedition, arrangements for exhibitions: correspondence; scripts; minutes of Discovery Committee film sub-committee; notes, including of a meeting with Gaumont-British representatives	1930-9

## NOL Collection 2

2/3/317	(10847) Seals and valves for weir pump, RRS <i>Discovery II</i> : correspondence; invoices	1930
2/3/318	(10894) RNR officers regulations as to training: correspondence; list of documents	1930-1

	<b>Discovery Committee Miscellaneous: Certificate of Science</b>	
2/5/13	W.A. Alexander: certificate of science awarded as a mark of appreciation for service on the RRS <i>Discovery II</i> in the Discovery Investigations	Sep 1939
2/5/14	R.W. Hampson: certificate of science awarded as a mark of appreciation for service on the RRS <i>William Scoresby</i> in the Discovery Investigations	Sep 1939

2/5/15	H. Jones: certificate of science awarded as a mark of appreciation for service on the RRS <i>Discovery II</i> in the Discovery Investigations	Sep 1939
2/5/16	A.G. Marrass: certificate of science awarded as a mark of appreciation for service on the RRS <i>William Scoresby</i> in the Discovery Investigations	Sep 1939
2/5/17	C.L. Rich: certificate of science awarded as a mark of appreciation for service on the RRS <i>Discovery II</i> in the Discovery Investigations	Sep 1939
2/5/18	C.J. Rumsey: certificate of science awarded as a mark of appreciation for service on the RRS <i>William Scoresby</i> in the Discovery Investigations	Sep 1939
2/5/19	A. Warren: certificate of science awarded as a mark of appreciation for service on the RRS <i>William Scoresby</i> in the Discovery Investigations	Sep 1939
2/5/20	File of station data	n.d.
2/5/21	File of station data	n.d.
2/5/22	Chemical composition of crocodile flesh	Nov 1930
2/5/23	Kenya-Uganda railway: Colonial Development Advisory Committee memoranda by the East African Department, Colonial Office relative to the proposals for the extension of the Kenya-Uganda railway from Kampala to the Congo border south of Ruwenson	Jan 1930
2/5/24	Charts: correspondence regarding track and shipping charts and their reproduction and loan	1930-7
2/5/25	Particulars of vessels, fishery ships general: extracts from fishing and sailing journals regarding vessels, correspondence and index with name of vessel and country	Dec 1930-Sep 1937
2/5/26	Discovery films: correspondence regarding use of films taken on voyages and concerning extra scenes, subtitles and commentary	Oct 1930-Sep 1937
2/5/27	Plankton tabulations and computation and necessary employment of statistical personal to do work	May 1928-Oct 1931
2/5/28	Whale marking in South Georgia: report with charts of 1936-7 season by E.R. Gunther	May 1937
2/5/29	Whale marking in South Georgia: report of 20 Nov 1935-19 Jan 1936 by Dr H.F.P. Herdman	Feb 1936
2/5/30	Survey programme: reports of 1928-9 and 1930-1 by Chaplin and Kemp	c.1930
2/5/31	Articles for <i>Nature</i> and <i>Discovery</i> : drafts, proofs and published copies	May 1928-Jun 1937
2/5/32	Breeding of whales: investigations at shore station: notes by N.A. Mackintosh	
2/5/33	RRS <i>Discovery II</i> : press notices: statements, reports and a press cuttings and notes on procedure, and rights to use photographs	
2/5/34	Extracts and cuttings from fishing journals and newspapers regarding research vessels including British, Norwegian, Egyptian, French and Japanese	Sep 1930-Oct 1936
2/5/35	South Sandwich Islands: correspondence and press notices	Mar 1930-Jan 1931
2/5/36	Press: cuttings, correspondence, statements and enquiries	Nov 1929-May 1937

## NOL Collection 2

2/5/37	RRS <i>William Scoresby</i> : press notices, cuttings, statements and correspondence	Jul 1930-Feb 1937
2/5/38	International whaling committee: minutes from committee and correspondence	Jun 1929-May 1936
2/5/39	Printed list of Discovery reports to Aug 1980; <i>Discovery Investigations second annual report, Jan 1927 - May 1928</i> (1929); two copies of <i>Discovery Investigations first annual report 1926</i> (1927); two copies of <i>Falkland Islands Discovery Investigations general regulations and instructions</i> (1932)	1927-32, 1980
2/5/40	Station data	n.d.
2/5/41	RRS <i>Discovery II</i> : Dr Stanley W. Kemp 'in' telegrams: list; telegrams	1930-1
2/5/42	RRS <i>William Scoresby</i> 'out' telegrams	1928-38
2/5/43	National Institute of Oceanography storekeeping organisation: lists; descriptions of articles of equipment and estimated costs	1950-3
2/5/44	Confidential despatch from the Governor of the Falkland Islands sent 8 May 1928: reply to Governors criticisms with revisions and amendments, correspondence and minutes of special committee meeting of RRS <i>William Scoresby</i> personnel	c.1928
2/5/45	International Whaling Committee: Norwegian draft bill on whaling, negotiations with League of Nations, convention regarding whale fishing and remarks on the bill concerning the capture of Baleen whales, including some notes in French	May 1927-May 1929
2/5/46	Possible fishery cruiser: colonial conference: notes on position in regard to colonial fisheries from colonial office conference	May-Jul 1930
2/5/47	Arrangements for Discovery Committee scientific staff: emergency continuance of pay when allocated to other work	Aug 1938-9
2/5/48	Factory ships: press cuttings plus index by ship name	Dec 1930-Mar 1936
2/5/49	Damage done to RRS <i>Discovery</i> by Teredo, Jan 1926-Aug 1928; Possible fisheries survey ship, Jan-Jul 1930; Sounding taken by RRS <i>William Scoresby</i> and RRS <i>Discovery II</i> , Feb 1930-Apr 1932; Discovery uniforms and clothes required for expedition plus papers concerning badge for cap, Feb-Mar 1925	1925-32
2/5/50	RRS <i>William Scoresby</i> miscellaneous funds account book	1950-1
2/5/51	RRS <i>Discovery II</i> master's book with seamen's accounts of wages: book 2 [only two pages used]	2 Nov 1952
2/5/52	Standing instructions on whale marking; notes on Latimeria; programme for voyage of RRS <i>William Scoresby</i> ; guide to operation and maintenance of oceanographical equipment; covering letter	1949
2/5/53	N100B Marine Station, South Georgia, plankton analyses tables	1928-30
2/5/54	RRS <i>Discovery II</i> telegrams, mainly out	1935-9
2/5/55	Notes for the Secretary of State on the position and future of the Discovery Investigations, with drafts	1933
2/5/56	Bouvet Island: enclosure for Sir F. Lindley's dispatch 101 on the island; correspondence; newspaper article	1928
2/5/57	N100B Marine Station, South Georgia, plankton analyses	1928-31

	tables	
2/5/58	Index to scientific gear at Marine Station, South Georgia	
2/5/59	N100B Marine Station, South Georgia, plankton analyses tables	1933-5
2/5/60	RRS <i>Discovery II</i> telegrams	1929-35
2/5/61	N100H and B analyses of data, Marine Station, South Georgia, night time copy 3	1926-38
2/5/62	N70V analyses of data, Marine Station, day time copy 3	1926-38
2/5/63	RRS <i>Discovery II</i> : Dr Stanley W. Kemp 'out' telegrams: list; telegrams	1930-1
2/5/64	Scientific subcommittee: including Discovery Expedition station list, 1925-7 with particulars of all stations made by RRS <i>Discovery</i> and RRS <i>William Scoresby</i> and by Marine Station staff; minutes from meetings and applications for appointments on scientific staff	Oct-Dec 1927
2/5/65	Data for note to Secretary of State: includes papers on capital, composition, whales, dominions, finance, pledge (the future of the investigations), production and sale	1920-33
2/5/66	Scientific reports 1-12 for Marine Station, South Georgia	Mar 1929
2/5/67	Micro-plankton: tables with records of different micro-plankton from different stations	Mar 1925
2/5/68	Ship sub-committee: whale catchers and trawler: notes and correspondence regarding construction of ships for research into whale fishery and particulars of ships	Feb 1924-Aug 1932
2/5/69	International Council 1929 whaling committee: Minutes, recommendations and correspondence; Law no. 6 of 21 June 1929 regarding the capture of Baleen whales; Temporary regulations regarding the capture of Baleen whales, Aug 1929	Apr-Aug 1929
2/5/70	International Council 1929 whaling questionnaire: Notes of meetings of whaling committee of International Council for the exploration of the sea; Recommendations of committee; Statistics from the fishery board for Scotland on whales, 1927-8	Aug 1928-Apr 1929
2/5/71	Lieutenant Commander J.M. Chaplain: survey reports and correspondence	Feb 1929-Jun 1931
2/5/72	Sub-arctic survey: HM Fisheries survey ship <i>Challenger</i> : rough particulars and press cuttings	Jun 1930-Feb 1937
2/5/73	Note upon Kelpin in South Georgia by J.M. Chaplin	Jun 1929
2/5/74	Reports by Captain Stenhouse and Dr E.H. Marshall from voyages on RRS <i>Discovery</i> to or via Tristen da Cunha, sent from Grytviken	Feb-Mar 1926
2/5/75	RRS <i>William Scoresby</i> , ship stores, canteen, victualling: indent WS592, WS621, WS599, WS617, WS615, WS609, WS604, WS608, WS600, WS602, WS616, WS612, WS618	1936-7
2/5/76	RRS <i>William Scoresby</i> : cash account	1944-51
2/5/77	Handwritten paper 'Cold upwelling on the South East Coast of Arabia' with charts, May-Sep and graphs	
2/5/78	Report on the velocity of sound in sea water and covering letters, 1937;	1937, ?1925

## NOL Collection 2

	Handwritten notes and illustration of vertical sections of lines running approximately south west from the coast of Sierra Leone and French Guinea, showing salinity, ?1925	
2/5/79	Account book for departmental accounts for marine station scientific equipment, for the library, for RRS <i>Discovery</i>	c.1923-5
2/5/80	Notes on tonnage, details of RRS <i>William Scoresby</i> , RRS <i>Discovery</i> and RRS <i>Discovery II</i> , monthly station numbers; summary of commissions of the Discovery Committee ships	1925-38
2/5/81	Monthly station numbers; dates of arrival and departures of Discovery Committee ships, 1925-38	c.1938
2/5/82	The Balleny Islands: photographs; pencil sketches by J. Marr; pen and ink sections by Ommanney	n.d.
2/5/83	N100H and B analyses of data, Marine Station, day time	1930-1
2/5/84	Bouvet Island: sketches by Mackintosh, photographs of charts made during survey, photographs of pack ice and photographs of Bouvet Island	Oct 1930
2/5/85	Antarctic Island surveys including Tristan da Cunha and files relating to the sovereignty of these islands:	
2/5/85 f1	Tristen da Cunha: report on visit by RRS <i>Discovery II</i> in Nov 1933 and press cuttings	Nov 1933-May 1934
2/5/85 f2	Sovereignty of South Orkneys	Jul-Oct 1930
2/5/85 f3	Report on the search for Thompson Island and other vigias in the vicinity of Bouvet island by RRS <i>Discovery II</i>	Oct 1930
2/5/85 f4	Hydrographic surveys (general): loss of motor boat and marooning of survey party	Jan 1930-May 1937
2/5/85 f5	RRS <i>Discovery</i> : Naval surveying by Lieutenant Commander Chaplin, 1925-7	May 1926-Feb 1930
2/5/85 f6	Running survey of South Sandwich Islands by Dr Stanley W. Kemp and W.M. Carey on 22 Mar 1930	Mar-Nov 1930
2/5/85 f7	Hydrographic reports: South Shetland currents and magnetic variation at South Sandwich Islands	c. 1930
2/5/85 f8	Sovereignty (general): press cuttings including regarding Australian Antarctica, the Argentine claim to the Falklands and the Norwegian discovery of new land in the Antarctic	Jul 1930-Mar 1937
2/5/86	Iceberg data and ice reports from RRS <i>William Scoresby</i> and RRS <i>Discovery II</i>	
2/5/86 f1	Iceberg data: charts giving date visibility and position of ship with remarks on iceberg for RRS <i>Discovery II</i> , 1925-37, and RRS <i>William Scoresby</i> , 1926-38	1925-38
2/5/86 f2	Ice reports and ice navigation mostly for RRS <i>Discovery II</i> but also for RRS <i>William Scoresby</i>	Apr 1930-Mar 1936
2/5/87	BANZARE (British, Australian and New Zealand Antarctic Research Expedition):	
2/5/87 f1	J.W.S. Marr's notes and comments on biological collections; working conditions aboard SY <i>Discovery</i> ; equipment; procedures and list of gear required in Cape Town	Aug 1929-Jan 1931
2/5/87 f2	RRS <i>Discovery</i> : Sir Douglas Mawson's reports	
2/5/87 f3	RRS <i>Discovery</i> : technical reports	
2/5/88	Expeditions to the Antarctic and the Artic: press cuttings, correspondence concerning arrangements for and after Ellsworth expedition and voyages to the Bay of Whales and the	Dec 1935-Aug 1937

	Ross Sea	
2/5/89	RRS <i>Discovery II</i> : confidential personnel material such as complaints and enquiries including regarding Mr Scarlett's gratuity and Mr F.E.C. Davies request for a court of enquiry	Jul 1930-Sep1936
2/5/90	Discovery Committee: emergency meeting to discuss whether they should get involved in search for Lincoln Ellsworth's planes. <b>See also:</b> <b>NOL Collection 1/C/160A</b> RRS <i>Discovery II</i> – fourth commission, Ellsworth Relief Expedition: rescue of the American, Lincoln Ellsworth and his British Pilot Herbert Hollick-Kenyon, near the Bay of Whales, Antarctic, 1936. <ul style="list-style-type: none"> <li>Charts made on RRS <i>Discovery II</i> to plot the possible course and location of the missing aircraft of the American Lincoln Ellsworth, and Herbert Hollick-Kenyon which had ran out of fuel, and had to make a forced landing in the Antarctic.</li> </ul> <b>NOL Collection 2/5/170</b> Discovery Investigations: Press Cuttings volume 1923- (last entry 1938), on pages 182-206, under – <i>Ellsworth Relief Operations</i> in the volume index. <b>NOL Collection 4/3/1/63</b> RRS <i>Discovery II</i> , ship's log, January 1936.	3-9 Dec 1935
2/5/91	(A1) RRS <i>William Scoresby</i> , officers' resignation: correspondence; Discovery Committee minutes	1927-35
2/5/92	(A2) Lieutenant Commander W.H. O'Connor: correspondence with the Discovery Committee and the Captain of <i>Discovery</i> relating to the discharge of O'Connor	1926
2/5/93	(A4) Australian sector: correspondence; note as to assistance that might be given by the Discovery Committee to a scheme for research in Australian waters; suggestions in Major Carey's despatch concerning a conversation on the Antarctic; note on the possibility of employing the RRS <i>Discovery</i> during the coming season; publication on the fisheries of the Australasian Antarctic	1928
2/5/94	(A5) The Dinning case: correspondence relating to T.W. Dinning, formerly employed by the Discovery Committee, who was imprisoned in South Africa for theft	1930
2/5/95	(A6) Copy of the contract for the purchase of RRS <i>Discovery</i>	18 Oct 1922
2/5/96	(A10) International Congress of Agriculture, Paris, 1931: 'Note relative a l'organisation des foires internationales'; correspondence	1931
2/5/97	(B5) RRS <i>William Scoresby</i> construction: correspondence; progress report	1925-9
2/5/98	(B9) RRS <i>Discovery</i> tank and wind experiments at NPL: correspondence; report of Messrs Flannery, Muggallay and Johnson relating to the propeller	1928-32
2/5/99	(B13) RRS <i>Discovery</i> echo gear: correspondence; report from Messrs Flannery, Muggallay and Johnson	1924-33
2/5/100	(B19) RRS <i>Discovery II</i> equipment: correspondence; quotations; leaflet relating to equipment; 'Principal advantages of the electronic submerged log type 3'	1929-35
2/5/101	(B20) RRS <i>Discovery II</i> echo gear: echo sounding reports; booklet on the British Admiralty magneto-stricton system recording echo-sounder; correspondence	1929-37
2/5/102	(B21) Polar exhibition, Jul 1930: letter; newspaper cuttings	1930

## NOL Collection 2

2/5/103	(B23) Pacific Congress: resolutions passed at final general meeting of the fifth Pacific Science Congress	14 Jun 1933
2/5/104	(B25) Geology and mineralogy: extracts from publications	
2/5/105	(B27) 'The Peru current' by Gerhard Schott: copy of published article, in German: 'Der Peru strom und seine nördlichen Nachbargebiete in normaler und abnormaler Ausbildung'; letter; carbon of translation	
2/5/106	(C3) Hardy on <i>Michael Sars</i> cruise: typescript report on a voyage with Professor Hjort on the <i>Michael Sars</i> , Jul 1924 by A.C. Hardy; printed report on the scientific results of the <i>Michael Sars</i> North Atlantic deep sea expedition, 1910; invitation to subscribers	1924
2/5/107	(C4) Norvegie expedition, 1928: note on expedition; references to Norvegie expeditions and sovereignty claims in Discovery Committee minutes	1928
2/5/108	(C5a) and (C5b): Professor Hjort's expeditions, 1929-30, 1930-1: rough notes on projected expeditions; correspondence; press cuttings; translation of extracts from whaling committee	1929-31
2/5/109	(C9a) Peter Island expedition: 'Report of expedition to Peter Island in the Antarctic, 1927, sent out by Lars Christensen of Sandefjord, Norway'; chart	1927
2/5/110	(C9b) H.J. Bull expedition: correspondence	1936
2/5/111	(C12) Danish expedition on RS <i>Dana</i> , 1928-30: extracts from <i>The fishing news</i> ; flyer for <i>Deep sea angler fishes (ceratioidea)</i> by C.T. Regan and Ethelwynn Trewavas; results of Dana expedition	1929-37
2/5/112	(C14) Great Barrier Reef expedition: report on the work of the Great Barrier Reef expedition with special reference to the economic significance of its contributions to marine biology by Professor J. Stanley Gardiner and Dr C.M. Yonge; card	1930
2/5/113	(D1) Magnetic variation observed on land at Port Stanley, Falkland Islands by Lieutenant Commander J.M. Chaplin	1928
2/5/114	(D4) W/T conditions in the South Ocean: reports on w/t time signals and general w/t conditions; covering letter	1927
2/5/115	(D6) Hydrography and cartographers: correspondence; syllabus; Civil Service examination papers; exam report	1929-33
2/5/116	(E1) RRS <i>Discovery</i> trial trip, Jul 1925: report; correspondence	1925
2/5/117	(F1) RRS <i>Discovery II</i> general description by Messrs Ferguson Brothers (Glasgow) Shipbuilders	n.d.
2/5/118	(F2) RRS <i>Discovery II</i> trials: report; correspondence	1929-31
2/5/119	'Colonial conference, 1930': correspondence; article on Bermuda and the Gulf Stream; West Indian Department paper; proposals for the establishment of direct relations between HM government in Great Britain and the Bermuda Biological Station in Bermuda	1935-6
2/5/120	Expeditions to the Antarctic and the Arctic: correspondence; telegrams; newspaper cuttings	1931-5

2/5/121	<i>US no 10 (1893) Bering Sea arbitration: award of the tribunal of arbitration constituted under article 1 of the treaty concluded at Washington on 29th February 1892 between Her Britannic Majesty and the United States of America</i> (HMSO, London, 1893)	1893
2/5/122	Number not used	
2/5/123	RRS <i>Discovery II</i> : survey work, 1950-1	
2/5/124	Child's Guide: notes for use during first post war commissions of RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : a guide to the proper care and operation of oceanographical equipment	c.1945
2/5/125	Scientific sub-committee minutes	Jan-Dec 1928
2/5/126	Plates with key for Boscluna and Bosdima	n.d.
2/5/127	Scientific subcommittee: spare copies of minutes	Jan 1929-Mar 1949
2/5/128	RRS <i>Discovery II</i> : account of wages	1950-1
2/5/129	Leave due on paying off: list of names with title/rank and leave allocation	20 Nov 1952
2/5/130	RRS <i>Discovery II</i> : master's book with seaman's account of wages showing earnings and deductions	May-Oct 1952
2/5/131	RRS <i>William Scoresby</i> : canteen and mess stores: wine, spirits, tobacco and general canteen stores	n.d.
2/5/132	RRS <i>Discovery II</i> : records of pay, income tax and national insurance for people now discharged from service	1950-1
2/5/133	RRS <i>Discovery II</i> : records of pay, income tax and national insurance for people serving on ship	1950-1
2/5/134	Discovery Committee Investigations: first revision of draft progress report, with annotations	
2/5/135	Discovery Committee Investigations estimates: correspondence; estimates; draft printed and monthly accounts; 'Note on the future of the Discovery Investigations'	1925-42
2/5/136	Seventh scientific report on work of RRS <i>William Scoresby</i> , including graphs and charts	1932
2/5/137	Twenty-third scientific report on work of RRS <i>William Scoresby</i> : figures 3-12 of appendix 1; 'The first Bengueuela current survey'; carbon copy of list of figures and part 2	1950
2/5/138	Polar Committee: correspondence	1930-5
2/5/139	RRS <i>William Scoresby</i> , VIII instructions A, 1950: programmes for William Scoresby and Discovery II; programmes for William Scoresby eighth commission; standing instructions on whale marking; guide to the operation and maintenance of oceanographic equipment	1949-50
2/5/140	RRS <i>William Scoresby</i> , VIII instructions B, 1950: miscellaneous instructions and notes; list; notes on latimeria; paper on forthcoming voyages of the William Scoresby; chart	c.1950
2/5/141	RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports on scientific work, correspondence, minutes and charts	Oct 1927-Feb 1929
2/5/142	RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports on scientific work, correspondence, minutes and charts/diagrams	Feb 1929-Feb 1930
2/5/143	RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports on	Jan-Aug 1930

## NOL Collection 2

	scientific work, correspondence, minutes and charts	
2/5/144	RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports on scientific work, correspondence and minutes	Jun 1930-Apr 1931
2/5/145	RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports on scientific work, correspondence and minutes	Jan-Dec 1931
2/5/146	RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> : reports on scientific work, correspondence and minutes	Sep 1931-Nov 1932
2/5/147	Discovery Expeditions scientific work file 10: scientific sub-committee agenda and minutes; report on New Zealand whaling; scientific reports; memorandum on visit to fish markets of Buenos Aires and Montevideo; report on the transplantation of fur seal from the Falkland Islands to South Georgia; correspondence; the Association of Whaling Companies production agreement; newspaper cutting	1932-3
2/5/148	Discovery Expeditions scientific work file 11: agendas; minutes; reports, including on fur seals of Uruguay and results obtained by the Discovery Investigations, 1925-32; League of Nations convention for the regulation of whaling (1931); note on whale marking; charts; RRS <i>Discovery II</i> programme, 1933-4	1925-34
2/5/149	Discovery Expeditions scientific work file 12: agenda; minutes; reports of scientific work; report on whale marking cruise around South Georgia, 1934-5	1934-5
2/5/150	Discovery Expeditions scientific work file 13: agenda; minutes; scientific reports; report on investigation in the Falkland Islands, Nov 1935-Mar 1936	1935-6
2/5/151	Discovery Committee scientific subcommittee: reports and minutes of meetings with charts and maps	Dec 1936-Sep 1937
2/5/152	Reports, minutes and illustrations and diagrams	
2/5/153	RRS <i>William Scoresby</i> and RRS <i>Discovery II</i> : reports and minutes from meetings	Sep 1937-Nov 1938
2/5/154	Reports and correspondence including charts	Sep 1924-Mar 1931
2/5/155	London Atlas map of the Antarctic region	
2/5/156	Scientific sub-committee: minutes	1930-47
2/5/157	Discovery Committee (Lieutenant Allen's copies): agendas, minutes, papers of meetings 1-35, including staff applications, notes, reports	1923-5
2/5/158	Discovery Committee files: index volume Contains lists of reports (scientific and proceedings) for RRS <i>William Scoresby</i> and RRS <i>Discovery II</i> ; List of file numbers with titles of files; Alphabetical list of files with file numbers and list of Discovery Committee personal files	
2/5/159	Index to Discovery Committee minutes (incomplete), compiled by Mr Kenneth Back: photocopies of alphabetical index cards covering minutes from the 1920s and 1930s	c.1981
2/5/160/1	Index volume of record prints 1-5099	
2/5/160/2	Index volume of record prints 5100-7664	

2/5/161	Bound copies of a typescript and carbon copy of the Discovery library catalogue 2/5/161/1 the typescript copy has the spine title 'Oceanographical Investigations bibliography' 2/5/161/2 the carbon copy has the spine title 'Discovery Library catalogue'	n.d. post 1925
2/5/162	Discovery Committee: estimates of expenditure: the sum required from the Falkland Islands Dependencies Research and Development Fund for the service of the Discovery Investigations, 1927-32	1927-32
2/5/163	Discovery Committee: estimates of expenditure: the sum required from the Falkland Islands Dependencies Research and Development Fund for the service of the Discovery Investigations, 1933-9	1933-9
2/5/164	RRS <i>Discovery II</i> : account book of receipts and expenditure including wages, subsistence and transport	Jan 1950-Nov 1952
2/5/165	RRS <i>Discovery II</i> : master's book with seaman's account of wages	1950-1
2/5/166	Papers and correspondence concerning wages	1950-1
2/5/167	RRS <i>Discovery II</i> : receipts and expenditure slips	1949-50
2/5/168	RRS <i>William Scoresby</i> : cash account of wages plus some correspondence	1949-50
2/5/169	National Institute of Oceanography order forms for supplies and services	1953-4
2/5/170	Discovery Expeditions: volume of press cuttings	1923-39
2/5/171	RRS <i>Discovery</i> and RRS <i>Discovery II</i> : volume of press cuttings	1924-38
2/5/172	Expeditions of Sir Hubert Wilkins: volume of press cuttings	1929-31
2/5/173	BANZARE: file of newspaper cuttings	1929-34
2/5/174	Admiral Byrd expeditions: file of newspaper cuttings; copies of correspondence	1928-35
2/5/175	Sir Hubert Wilkins: file of newspaper cuttings; correspondence; report	1929-34
<b>2/6</b>	<b>Plans and diagrams</b>	
<b>2/6/1</b>	<b>Plans and diagrams: Box 1 (mostly RRS <i>William Scoresby</i>)</b>	
2/6/1/1	Typed lists of plans for various ships	n.d.
2/6/1/2	Marine station, South Georgia: blueprint plans	n.d.
2/6/1/3	Motor launch for Falklands Islands	n.d.
2/6/1/4	Blueprint of a 50ft motor sailor for sponge research work	n.d.
2/6/1/5	?RRS <i>William Scoresby</i> : outline general arrangement for a proposed whale marking vessel	n.d.
2/6/1/6	RRS <i>William Scoresby</i> : general arrangements for a whale marking vessel	n.d.
2/6/1/7	RRS <i>William Scoresby</i> : plan of shafting	2 Jul 1925
2/6/1/8	RRS <i>William Scoresby</i> : rigging	n.d.
2/6/1/9	Plan of upper and lower deck (RRS <i>William Scoresby</i> )	n.d.
2/6/1/10	RRS <i>William Scoresby</i> : blue print for general arrangement and plan	3 Oct 1924
2/6/1/11	RRS <i>William Scoresby</i> : blue print for laboratory and general	n.d.

## NOL Collection 2

	plans	
2/6/1/12	RRS <i>Discovery</i> : central arrangement, profile, upper deck and forecastle deck	n.d.
2/6/1/13	Profile, forecastle and bridge deck	n.d.
<b>2/6/2</b>	<b>Plans and diagrams: Box 2 (mostly RRS <i>Discovery</i>)</b>	
2/6/2/1	RRS <i>Discovery</i> : haulage arrangement	n.d.
2/6/2/2	RRS <i>Discovery</i> : capacity plan	n.d.
2/6/2/3	Falklands Islands lower laboratory	Aug 1924
2/6/2/4	Falklands Islands upper deck accommodation	25 Feb 1924
2/6/2/5	Arrangements for topping and mast boom	n.d.
2/6/2/6	RRS <i>Discovery</i> : first draft of accommodation arrangements	n.d.
2/6/2/7	RRS <i>Discovery</i> : main deck accommodation	26 Mar 1924
2/6/2/8	RRS <i>Discovery</i> : arrangements of decks	n.d.
2/6/2/9	RRS <i>Discovery</i> : main deck laboratory and dark room	23 May 1925
2/6/2/10	RRS <i>Discovery</i> : general arrangement	n.d.
2/6/2/11	RRS <i>Discovery</i> : stowage of sea plane	n.d.
2/6/2/12	RRS <i>Discovery</i> : first proposal for Falklands research ship	3 Nov 1921
2/6/2/13	RRS <i>Discovery</i> : darkroom arrangement of shelves and elevation of fore and starboard sides	n.d.
2/6/2/14	Second alternative arrangement and details of modified gearing	9 Nov 1925
2/6/2/15	Detailed plans for boat deck and upper deck	n.d.
2/6/2/16	Upper deck lab, main deck lab and darkroom	1925-8?
2/6/2/17	RRS <i>Discovery</i> : proposed rearrangement of deck house accommodation	n.d.
2/6/2/18	RRS <i>Discovery</i> : sister keels	n.d.
2/6/2/19	Elevation of aft end of deck house lab and port side	n.d.
2/6/2/20	Elevation of aft end of deck house lab and port side	n.d.
2/6/2/21	Elevation of for'ard end of deck house lab	n.d.
2/6/2/22	RRS <i>Discovery</i> : haulage arrangement	n.d.
2/6/2/23	Main deck lab: elevation of starboard side and aft end	n.d.
2/6/2/24	Main deck (lower) lab: elevation and plans	n.d.
2/6/2/25	Upper lab: sinks and jars	n.d.
2/6/2/26	RRS <i>Discovery</i> : arrangements of winch house and stiffening under winch	n.d.
2/6/2/27	?RRS <i>Discovery</i> : mast and stay plan	n.d.
2/6/2/28	RRS <i>Discovery</i> : mid ship section	n.d.
2/6/2/29	RRS <i>Discovery</i> : general plan of ship	n.d.
2/6/2/30	RRS <i>Discovery</i> : deck plan	n.d.
2/6/2/31	RRS <i>Discovery</i> : sail plan and rigging	1 Jan 1925
<b>2/6/3</b>	<b>Plans and diagrams: Box 3 (mostly RRS <i>Discovery II</i>)</b>	
2/6/3/1	Discovery II: general arrangement	10 Dec 1928
2/6/3/2	Blueprint for general arrangement plan of steel single screw research vessel	23 Mar 1929
2/6/3/3	RRS <i>Discovery II</i> : hull sections	n.d.
2/6/3/4	RRS <i>Discovery II</i> : shell expansion	n.d.
2/6/3/5	RRS <i>Discovery II</i> : navigating bridge, flying bridge and house top	n.d.
2/6/3/6	RRS <i>Discovery II</i> : stabilising echo sounder	Nov 1953

2/6/3/7	Plan giving details of oil and fuel pipes	n.d.
2/6/3/8	General plans for new single screen search vessel (Sam White and Co.)	n.d.
2/6/3/9	Blue print giving details of extra fitting in ward room	n.d.
2/6/3/10	RRS <i>Discovery II</i> : upper deck, boat and navigating deck	n.d.
2/6/3/11	RRS <i>Discovery II</i> : lines plan	n.d.
2/6/3/12	RRS <i>Discovery II</i> : profile and deck plans	n.d.
12/6/3/3	RRS <i>Discovery II</i> : proposed boat arrangement	26 Dec 1928
2/6/3/14	RRS <i>Discovery II</i> : draft general arrangement	22 Jun 1928
2/6/3/15	General plan	n.d.
2/6/3/16	RRS <i>Discovery II</i> : preliminary general arrangements	n.d.
2/6/3/17	Detailed plan of element engineering	n.d.
2/6/3/18	Rearrangement of crew's galley as rough hydrological laboratory	10 Feb 1949
2/6/3/19	Arrangement for deep sea anchor	n.d.
2/6/3/20	RRS <i>Discovery II</i> : ward room	n.d.
2/6/3/21	Proposed steel single screw research vessel: Ferguson Bros plans for tender	24 Jul 1928
2/6/3/22	RRS <i>Discovery II</i> : arrangement plan for boat deck and upper deck	6 Aug 1929
2/6/3/23	RRS <i>Discovery II</i> : capacity plan	n.d.
2/6/3/24	PRSD ballast arrangement	18 Apr 1956
2/6/3/25	RRS <i>Discovery II</i> : thickness of rudder frame	n.d.
2/6/3/26	RRS <i>Discovery II</i> : arrangement of lower deck and hold	n.d.
2/6/3/27	RRS <i>Discovery II</i> : Ferguson's detailed plan for general arrangement	24 Jul 1928
2/6/3/28	Proposed improvements to radio officers accommodation	3 Jan 1958
2/6/3/29	Upper (deck house) laboratory plans	n.d.
2/6/3/30	RRS <i>Discovery II</i> : deck arrangements	n.d.
<b>2/6/4</b>	<b>Plans and diagrams: Box 4 (mostly RRS <i>Discovery II</i>)</b>	
2/6/4/1	RRS <i>Discovery II</i> : Ferguson's plans for tender	24 Jul 1928
2/6/4/2	RRS <i>Discovery II</i> : proposed rearrangement of office, hydrographic store and workshop	25 Nov 1948
2/6/4/3	Elevation of for'ard end of deck house	n.d.
2/6/4/4	RRS <i>Discovery II</i> : arrangement of lower deck and hold	n.d.
2/6/4/5	RRS <i>Discovery II</i> : aerial view of upper and main decks	n.d.
2/6/4/6	RRS <i>Discovery II</i> : midship section	10 Dec 1928
2/6/4/7	RRS <i>Discovery II</i> : navigating bridge, flying bridge and house top	
2/6/4/8	RRS <i>Discovery II</i> : ventilation arrangement diagrammatic	May 1949
2/6/4/9	Arrangement plan of the lower deck of a steel single screw research vessel	n.d.
2/6/4/10	RRS <i>Discovery II</i> : profile	n.d.
2/6/4/11	RRS <i>Discovery II</i> : deck arrangements	n.d.
2/6/4/12	General arrangement plan	n.d.
2/6/4/13	RRS <i>Discovery II</i> : shell expansion	n.d.
2/6/4/14	RRS <i>Discovery II</i> : tops of houses arrangement	n.d.
2/6/4/15	Proposed arrangement: extra fittings in wardroom	n.d.
2/6/4/16	Propeller shaft	n.d.

## NOL Collection 2

2/6/4/17	General arrangement plan for upper and navigating deck	n.d.
2/6/4/18	RRS <i>Discovery II</i> : profile of boat deck, upper deck and lower deck	n.d.
2/6/4/19	RRS <i>Discovery II</i> : lower decks and holds	n.d.
2/6/4/20	RRS <i>Discovery II</i> : engine boiler and casing plan	n.d.
2/6/4/21	Arrangement plan of a steel, single screw research vessel: general arrangement for profile, upper deck, tweed deck and under deck	n.d.
2/6/4/22	Plan concerning hull sections and riveting	n.d.
2/6/4/23	RRS <i>Discovery II</i> : arrangement of chemical and biological labs	n.d.
2/7	<b>Miscellaneous material</b>	
2/7/1	<p>Carbon copy of lists of scientists serving in RRS <i>Discovery</i>, RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> as part of Discovery Investigations</p> <p><b>See also: NOL Collection 2/1/9</b>  <b>Personnel file Discovery Investigations</b> with a list of people attending meetings; List of the Distribution of Scientific Staff (when, where and what commissions they were on) list of scientific staff (Incl. Marine Station staff); list of officers and crew, RRS <i>Discovery</i>, RRS <i>Discovery II</i>, RRS <i>William Scoresby</i>, 1924-39</p> <p><b>See also: NOL Collection 2/7/2</b>  Card index of Officers and Crew Members of the above ships</p>	1924-64
2/7/2	<p>Card index of crew members of RRS <i>Discovery</i>, RRS <i>Discovery II</i> and RRS <i>William Scoresby</i></p> <p><b>See also: NOL Collection 2/1/9</b>  <b>Personnel file Discovery Investigations</b> with a list of people attending meetings; List of the Distribution of Scientific Staff (when, where and what commissions they were on) list of scientific staff (Incl. Marine Station staff); list of officers and crew, RRS <i>Discovery</i>, RRS <i>Discovery II</i>, RRS <i>William Scoresby</i>, 1924-39</p> <p><b>See also: NOL Collection 2/7/1</b>  Carbon copy of lists of scientists serving in RRS <i>Discovery</i>, RRS <i>Discovery II</i> and RRS <i>William Scoresby</i> as part of Discovery Investigations</p>	
2/7/3	Typescript list of dates of arrivals and departures of RRS <i>William Scoresby</i> on expeditions	1925-39

2/7/4	<b>Personnel file Discovery Investigations</b> with a list of people attending meetings; List of the Distribution of Scientific Staff ( when, where and what commissions they were on) list of scientific staff (Incl. Marine Station staff); list of officers and crew, RRS <i>Discovery</i> , RRS <i>Discovery II</i> , RRS <i>William Scoresby</i> , <b>This is a copy of original in NOL Collection 2/1/9</b>	1924-39
2/7/4A/1	Discovery Expedition printed first annual report	1926
2/7/4A/2-3	Two copies of the Discovery Expedition printed second annual report	1927
2/7/4A/4-5	Two copies of the report on the progress of the Discovery Committee Investigations	1937
2/7/4A/6	Falkland Islands' Discovery Expedition general regulations and instructions	1925
2/7/4A/7-9	Three copies of the Falkland Islands' Discovery Expedition general regulations and instructions	1932
2/7/4A/10	Discovery Investigations objects, equipment and methods: Part 1: 'The objects of the investigations' by Dr Stanley W.Kemp Part 2: 'The ships, their equipment and the methods used in research' by Dr Stanley W.Kemp and A.C.Hardy Part 3: 'The marine biological station' by N.A.Mackintosh	
2/7/5	RRS <i>Discovery II</i> : volume of data of Balleny Islands survey	1936
2/7/6	Folder containing copies of reports, correspondence, minutes and papers relating to criticisms made by the Governor of the Falkland Islands of the Discovery Committee	1928
2/7/7	RRS <i>Discovery II</i> : correspondence with Munro Ltd and technical drawings of the Kemp type hydrographic davit	1929-54
2/7/8	RRS <i>William Scoresby</i> : correspondence with Munro Ltd; quotation for Munro hydrographic davit and work on this; technical drawings of measuring sheave	1929-80
2/7/9	Menu for luncheon at launch of RRS <i>Discovery</i> , Portsmouth	13 Jun 1925
2/7/10	Visitors book for RRS <i>Discovery II</i> , 1928-38, which includes George VI and Queen Elizabeth, with captions, text and copies of photographs used with the book for an exhibition	1928-38
